# HC takes UP cops to task for frequent encounters

Rajesh Kumar Pandey | Tun

Pravara: Allahabad high court took UP cops to task on Friday for frequent encounters between police and criminals. The court said that such encounters are not permitted by law and are a violation of the Constitution. It also directed the government to take steps to prevent such encounters.

# LAYS DOWN GUIDELINES

Police officers cannot be allowed to take the law into their own hands. The court laid down guidelines for police officers, stating that they must follow the law and not engage in encounters. It also directed the government to take steps to prevent such encounters.

# What is Finance Commission & what role does it perform?

Sihartha@timesofindia.com

When finance minister Nirmala Sitharaman presents her ninth budget on Saturday, she will also table the report of the Finance Commission (FC) headed by economist Arvind Panagariya, along with the action taken report. She will incorporate the recommendations of the panel in her budget.

# What is a Finance Commission?

If it is a constitutional body set up every five years to review the fiscal position of states and the Centre, and decide the formula for sharing taxes collected by the Centre, which are then distributed to states and the Centre, it also recommends the formula for the share for each state based on parameters. Over the years, its role has evolved to include recommending the share of central taxes to states and the Centre.

# RIISING TREND

Over the years states' shares has increased. The table shows the share of states in the total tax revenue. The share has increased from 79.5% in 2010-11 to 84.4% in 2024-25.

# How do the commissions finalise their awards?

FC members travel to all states and get a first-hand assessment of financial and other challenges. They then devise the award formula based on several parameters. Over the years, population has become a key criteria along with a state's size, per capita income level and how the state compares with the national average.

# TO Explains

It has been a key criteria along with a state's size, per capita income level and how the state compares with the national average. The TO Explains section provides a detailed analysis of the Finance Commission's role and its impact on the states.

# Clay grains passed off as mustard seeds, FIR against 5 officials in MP

Amarjeet Singh | Timesofindia.com

Bhopal: A simple water test blew the lid off a mustard scam in Madhya Pradesh, with the granules supposed to be the common kitchen spice turning out to be grains of clay. The scam involved the sale of clay granules as mustard seeds, leading to a financial crisis for many farmers.

# The inspection team found nearly 40% of the mustard stock, procured as per MSP to be clay granules

The inspection team found nearly 40% of the mustard stock, procured as per MSP to be clay granules. This discovery led to the arrest of five officials involved in the scam. The government has taken steps to prevent such incidents in the future.

# Haryana rolls out scholarships for kids of slain soldiers
