5.4. However, at the hearing dated 16.02.2026 the Ld. Counsel for the Corporate Debtor stated that she has been instructed to withdraw the Objection raised in the reply and the CD admits the debt claimed in the Application. Therefore, the counsel for CD requested for Admission of the Application.

6.3. However, as the Corporate Debtor has withdrawn the Reply at the hearing held before this Tribunal on 16.02.2026, the rejoinder has been not considered.

7. WRITTEN SYNOPSIS (OC)

7.1. The Operational Creditor states that there was a Zero (0) day credit period in the Invoice and interest at 18% p.a. was also mentioned for late payment. Interest commenced directly from next day of default in light of there being a Zero (0) day credit period.

7.2. The Corporate Debtor states that there was no pre-existing dispute between them while transacting business.

7.3. The date of default is 07.11.2023. There were 2 invoices pending on 09.08.2023 and 11.11.2023. Hence, if the 90-day time period is considered from 09.08.2023, the date of default comes to 07.11.2023. The 90-day credit period comes from the PO so the same has been taken into account for calculation of the date of

default. The 09.08.2023 invoice is partly paid while invoice dated 11.11.2023 is fully outstanding.

7.4. It is stated that there is no pre-existing dispute between the parties prior to sending a Demand Notice to CD.

7.5. Further the Operational Creditor states that the petition is well within the limitation.

8. WRITTEN SYNOPSIS (CD)

8.1. The Corporate Debtor states that the OC is charging interest which was not mentioned on the Purchase order.

8.2. Further the CD has stated the same objections as were there in Reply and for the sake of brevity they are not repeated herein.

9. ANALYSIS AND FINDINGS

9.1. We have perused the documents as placed before us and heard both the Ld. Counsels for the Applicant and the CD.

9.2. The Corporate Debtor had filed Reply dated 03.07.2025 wherein the CD objected to the claims of the Applicant stating that some pre existing dispute already existed.

9.3. However, subsequently the CD has expressly admitted the existence and quantum of the operational debt claimed. This admission has been recorded in our Order dated 16.02.2026. where the CD has admitted the claim in the matter at hand and requested for its Admission into CIRP. The CD has also withdrawn the objections filed in the Reply.

9.4. In the instant case the CD has admitted that he failed to make any payment towards the operational debt and Admitted that the debt of Rs 7,47,20,079/- is due. Hence the Debt exceeds the threshold as stipulated under section 4 of the Code. Further no pre-existing dispute exists in the present case.

9.5. The Applicant issued a Demand Notice under Section 8 of the IBC on 13.03.2025, which was duly served upon the CD. No reply or response disputing the debt or raising any contention was submitted by the CD in response to the said demand notice.

9.6. The date of default as mentioned in NeSL report in Form D is 07.11.2023 and the Status of Authentication of default is "DEEMED TO BE AUTHENTICATED".

9.7. Further the petition is well within limitation of 3 years from the date of default i.e with effect from 07.11.2023.

9.8. In conclusion, the Applicant has successfully established that:

- (i) a valid and enforceable operational debt exists in the sum of Rs. 6,18,98,022/- and , with interest the same aggregates to Rs. 7,47,20,079 /-,
- (ii) the debt has become due and payable since 07.11.2023 and
- (iii) the CD has committed default in discharging its liability. The debt has not been disputed on any legally tenable ground.

9.9. The CD has committed default in payment of an admitted operational debt. This Application filed under Section 9 of the IBC is complete in all respects and all procedural conditions have been met by the Operational Creditor, including service of demand notice, non-receipt of payment, and compliance with tax obligations and there exists no pre-existing dispute regarding the claim. In view of the above, this Application deserves to be admitted.

9.10. Operational Creditor has also proposed the name of an Insolvency Professional (IP) i.e. Mr. Rajesh Jhunjhunwala as the proposed IP having valid AFA upto 31.12.2026 as reflected on IBBI portal, and as per the Form 2 attached along with the Application, no disciplinary proceedings are going on against the said IP.

9.11. We make it clear that at this stage we have not crystallised the amount as claimed in this Application; the same is left to be collated by the IRP.
