Oppn has negative attitude towards backward states: BJP

TIMES NEWS NETWORK

New Delhi: BJP on Wednesday slammed Congress and other opposition parties for criticising the Union budget, saying that it revealed their political frustration and negative attitude towards "some backward states" that need special focus and assistance for development.

BJP spokesperson and former Rajya Sabha MP G V L Narasimha Rao said Prime Minister Narendra Modi-led govt's budget has been welcomed by "one and all" but the opposition parties are coming out with "immature and negative reactions" against it.

Party's reaction comes against the backdrop of Congress and other constituents of the opposition INDIA bloc accusing govt of presenting a "discriminatory" budget towards opposition-ruled states after finance minister Nirmala Sitharaman made a host of budgetary announcements for Andhra Pradesh

BJP's reaction comes against the backdrop of opposition INDIA bloc accusing govt of presenting a "discriminatory" budget

and Bihar on Tuesday.

JD(U) and TDP, which rule Bihar and Andhra Pradesh respectively, are key constituents of BJP-led National Democratic Alliance (NDA) govt at the Centre.

"The entire country looks at this as a progressive, pro-people, pro-poor, pro-farmer and pro-employment budget. It is a budget which has actually laid out a vision for 'Viksit Bharat'," Rao said at a press conference.

With more than Rs 48 lakh crore overall budgetary expenditure, the Union budget 2024-25 has kept its focus on every section of the society and every state in the country, he said, adding special focus has been given to backward states, particularly eastern regions, for their development.

"But, allocations have been made to some states keeping in view their developmental needs and long ne-

glect," Rao said in an apparent reference to budgetary announcements made by the finance minister for Bihar and Andhra Pradesh.

He said Andhra Pradesh certainly needed special financial assistance because of the ravages of the division and bifurcation the state suffered due to Congress.

Rao said that Congress, which is criticising the budget, had in its poll manifesto mentioned that it would give special category state status to Andhra Pradesh if voted to power. "They make such kind of hollow promises because they do realise that they betrayed the people of Andhra Pradesh and they cannot get out of it. They have been reduced to 1% vote share party in Andhra Pradesh (in recent elections)," the BJP functionary said.

"I want to tell Rahul Gandhi that if he doesn't want to learn even after getting such a massive jolt, people of Andhra Pradesh will never forgive him," he added.

Kharge: Pakoda, jalebi only for two states, nothing for others

New Delhi: Opposition parties attacked govt in the two Houses of Parliament on Wednesday over their claim that Andhra Pradesh and Bihar had cornered the lion's share of budgetary allocations, which finance minister Nirmala Sitharaman rejected as "outrageous".

Claiming that all states except two had been "ignored", INDIA bloc parties led by Congress walked out of Lok Sabha and Rajya Sabha in the morning session.

In the upper House, after Chairman Jagdeep Dhankhar rejected calling for suspension of the listed agenda, leader of opposition Mallikarjun Kharge said the Budget was a "kursi bachao (save the govt)" document.

"Sabki thali khali, aur sirf do ke thali me pakoda aur jalebi," Kharge said, adding the INDIA bloc "condemned this discrimination" in the Budget. As Dhankhar gave Sitharaman the floor to respond, Kharge led opposition members out of the House in protest.

The FM said not naming a state in the Budget did not mean that govt schemes and other financial assistance were not working for it. The cabinet, for instance, approved the over Rs 76,000 crore Vadhravan port project in Maharashtra last month. "Did Maharashtra get ignored because I did not mention its name?" she asked. TNN

Oppn seeks to put BJP on mat with bias charge over Budget allocations

New Delhi: Slamming the Union Budget as "discriminatory", the joint opposition Wednesday raised a loud protest against the Modi govt in Parliament, a political manoeuvre that seeks to turn the governing BJP's moment of after-Budget glory into a contentious regional issue with a keen eye on coming assembly elections.

INDIA bloc functionaries gathered at the "Makar Dwar" of Parliament ahead of the proceedings. With placards in hands, they accused PM Narendra Modi of presenting a budget that "violates the spirit of federalism" by ignoring the states ruled by BJP's rivals. The parties then took their protest to Lok Sabha and Rajya Sabha, and walked out after being denied the permission to raise the issue inside. TNN

Body of sailor missing after fire recovered

New Delhi: The body of the junior sailor who went missing during the mishap on board the guided-missile frigate INS Brahmaputra, which after a fire eventually keeled over at the naval dockyard in Mumbai on Monday, was finally found on Wednesday. "The body of Leading Seaman Sindra Singh (25), who hailed from Rajasthan and is survived by his parents and an elder brother, was recovered after intensive diving operations," an officer said. TNN

Bishnoi & gang intended to kill me & my family: Salman

Mumbai: In his police statement, actor Salman Khan (58) has alleged that he believes gangster Lawrence Bishnoi and his gang members were behind the firing incident outside his Bandra residence on April 14, reports Rebecca Samervel. Khan said he believes the attack was carried out with the intention of killing him and his family members.

Observing that there is ample prima facie evidence on record to proceed against the accused, a special MCOCA court on Monday took cognisance of the chargesheet filed in the case earlier this month. On April 14, a biker and a pillion rider dis-

charged several rounds at the balcony of Khan's Bandra home and absconded.

In his statement made in June, which is part of the chargesheet, the actor said, "There had been attempts to hurt me and my family prior to this as well. I have learned from social media that Bishnoi and gang have taken responsibility for the attack. So, I believe that it is the Bishnoi gang who have carried out the firing at my balcony." As a result, Khan always advises his family members and those around him to stay alert. Khan has been provided with Y-Plus security from Mumbai police. He has weapon-trained policemen, bodyguards and private

security for protection too.

Recalling the events of April 14, Khan said he heard a cracker-like sound while asleep. Later, at 4.55am, his police bodyguard informed him that two people on a bike had fired at the first-floor balcony of his home in Galaxy Apartment. Khan uses the balcony at various times, including while greeting fans gathered outside his home, socialising with family and friends during late hours, to get fresh air when he returns tired from work, and when he wakes up early.

In addition to the recent firing incident, Khan mentioned there had been previous attempts to harm him and his family. TNN

Dowry charges often used as a pressure tactic, says Guj HC

TIMES NEWS NETWORK

Ahmedabad: Gujarat HC has observed that women often resort to pressure tactics and level dowry allegations against their husbands and in-laws to make the offence "graver" when charging them with domestic violence and cruelty.

On the matter of levelling allegations of domestic violence, the court said that not only SC but HC also has noted in numerous cases that there is a growing tendency to level exaggerated allegations, roping in every relative of the husband. "If one of them happens to be of a higher status or vulnerable standing, he or she becomes

'GRAVER' OFFENCE

easy prey for better bargaining and blackmailing," the court said.

Justice D A Joshi made these observations while quashing an FIR filed by a woman against her husband and in-laws in 2019. She had accused them of cruelty under IPC Sec 498A (punishment if the husband or relative of the husband subjects the wife to cruelty), along

with assault, abuse and criminal intimidation. She also invoked provisions of the Dowry Prohibition Act and later filed a complaint in a court under the Domestic Violence Act.

"The accused moved HC requesting the FIR be quashed, claiming that the charges were false. The court noted that the marriage took place in Jan 2018 and the wife left her matrimonial home in June 2019 to file the FIR and the domestic violence case. She later consented to the quashing of the FIR and returned to live with her husband but subsequently left for her parental house again, voluntarily leaving her matrimonial home.

UK seeks reset; tech security initiative to boost ties

New Delhi: UK foreign secretary David Lammy pushed for a reset in bilateral ties, including through the commitment to secure an early conclusion of the free trade agreement (FTA), as he called on PM Narendra Modi and held talks with his counterpart S Jaishankar during what was the first ministerial visit to India by the newly-elected Labour govt. After meeting Lammy, Modi said in a post on X he appreciated the priority accorded by UK PM Keir Starmer to broaden and deepen the Comprehensive Strategic Partnership between the two countries, while endorsing the desire for a mutually beneficial FTA. "Remain committed to elevating the ties. Welcome the bilateral technology security initiative and the desire to conclude a mutually beneficial FTA," Modi said. TNN

The high cost of Green Hydrogen/Green Ammonia production is a major obstacle to its adoption. Innovation needs to be encouraged to reduce costs of electrolyzer, system efficiency, transportation, storage etc.

Sl. No.	'UP Green Hydrogen Policy 2024'	Key financial incentives (State Govt.)
1.	02 (Two) Centres of Excellence will be established to reduce the production cost of Green Hydrogen/Green Ammonia & its products and for the development of new technologies. The establishment shall be done by educational institutions of national importance.	Financial incentive will be provided to Government educational institutions, startups/ incubators registered by the State Government and the Government of India for establishing Centers of Excellence
2.	Centers of Excellence will cover key areas of R&D such as electrolyzer manufacturing, Type-4 storage tanks, testing laboratory for Green Hydrogen/Green Ammonia, Transportation of Green Hydrogen/Green Ammonia, Development of fuel cell electrolyzer for hydrogen production, Production of Green Hydrogen/Green Ammonia through solar thermal and other technologies to reduce production cost etc.	Incentives will be applicable as per the 'Uttar Pradesh Green Hydrogen Policy 2024'
3.	Startups producing/using Green Hydrogen/Ammonia in Uttar Pradesh will be encouraged.	This incentive will be provided subject to no double funding to the institute from any other source to the extent of financial incentives.

It is requested to the Government educational institutions, startups/ incubators registered by the State Government and the Government of India to submit their comprehensive proposals to participate in the development of the Center of Excellence (COE) for green hydrogen and Startups producing/using Green Hydrogen/Ammonia. Now, SC for a panel of 'eminent persons' to end Shambhu block

New Delhi: Observing that there is a "trust deficit" between the farmers protesting at Shambhu Border and govt, Supreme Court on Wednesday proposed a panel of "eminent persons", along with Punjab and Haryana govt officials, to reach out to them, end the stand-off, and clear the border and the national highway.
A bench of Justices Surya

Kant, Dipankar Datta and Ujjal Bhyan said govt's efforts had not been fruitful because of trust deficit and there is a need to appoint "neutral umpires" to hold discussions with farmers. It then asked both Haryana and Punjab govt to suggest names of who could be made part of the panel. The court directed them to come back in a week with recommended names. TNN
