Place: Sambalpur, Date: 03.01.2024

Authorised Officer, Bank of India

‘Area of Lakshadweep may be small, but its heart is huge’

PM Modi laid the foundation stone of development projects

AGENCIES
KAVARATTI, 3 JANUARY 3

After the inauguration of various projects worth Rs 1,156 crores in Kavaratti, Lakshadweep on Wednesday, Prime Minister Modi said that the area of Lakshadweep may be small, but its heart is huge.

"The area of Lakshadweep may be small, but its heart is huge. I am overwhelmed by the love and blessings I am receiving here. I pay my gratitude to you all," said PM Modi after the inauguration of several projects in Kavaratti.

"In 2020, I guaranteed you that you will get a fast internet facility within the next 1000 days. Today, the Kochi-Lakshadweep Submarine Optical Fiber Project has been inaugurated. Now, the internet in Lakshadweep will be available at 100 times higher speed," said PM Modi.

"After independence, the only priority of governments that remained at the Centre for decades was the development of their political parties. Far-off states, border areas or those in the middle of the ocean were not given any attention. Notably, in the last 10 years, our government has made border areas and areas at the edge of the sea its priority," added the PM.

Speaking on the blue

economy, PM Modi said, "Today, India is focussing on increasing its share in the world seafood market, and Lakshadweep is hugely benefiting from this. Today, the Tuna fish of Lakshadweep is being exported to Japan, and the welfare of fishermen is being fully ensured. Notably, the possibilities related to seaweed cultivation are also being explored in Lakshadweep."

Prime Minister Modi said that the government is committed to the sustainable development of Lakshadweep; the Solar Power Plant present here, which is based on the Battery Energy Storage System (BESS), is one such example. Notably, this is Lakshadweep's first battery-backed Solar Project. This project will usher in lesser pollution and lesser impact on the ocean ecosystem of the State," the PM said.

Prime Minister Narendra Modi inaugurated and laid the foundation stone of projects worth Rs 1,156 crores in Kavaratti.

PM Modi also interacted with beneficiaries of various government of India schemes in Lakshadweep. "It was a delight to interact with beneficiaries of various GoI schemes in Lakshadweep. A group of women talked about how their SHG worked towards starting a restaurant, thus becoming self-reliant; an elderly person shared how Ayushman Bharat helped in treating a heart ailment, and a woman farmer's life changed due to PM-KISAN.

BRS is the voice of Telangana: KT Rama Rao

STATESMAN NEWS SERVICE
HYDERABAD, 3 JANUARY

Aware that the upcoming Parliamentary elections might be reduced to a bipolar one, between the Congress and the BJP, BRS working president KT Rama Rao today said that his party has been the voice of Telangana in Parliament and if it needs to be heard the people must vote for the BRS candidates.

He also claimed that Congress and BJP were in an understanding over the two constituencies of Nizamabad and Karimnagar, both held by the BJP.

The BRS today formally began the preparations for Lok Sabha elections. Following the defeat of BRS in the Assembly elections poll analysts have observed that the Lok Sabha polls may turn out to be a battle between the Congress and the BJP with the BRS reduced to a distant third.

Mr Rao said that Telangana's voice in Delhi was always represented by the BRS. For national parties like BJP and Congress Telangana was only one state among the rest of the states. Although BRS wants to expand to other states, its nucleus is still in Telangana, said the BRS leader.

"Did Rahul Gandhi ever speak about Teangana's issues in Parliament? Did Modiji ever address Telangana's promises in Parliament? We appeal to the people, if KCR garu's team is not there in the Parliament there won't be any voice to speak on Telangana's rights," said KT Rama Rao.

He also slammed the Congress for failing to fulfil its poll promises. The BRS has compiled a document on the poll promises made by the party which they named as '420 promises of Congress'. The BRS has accused the Congress of delaying the implementation of the poll promises before the poll bugle was sounded by the Election Commission.

Mr Rao said the White papers on finances and electricity and the accusation of wasteful expenditure over buying 22 land cruisers were all distractions aimed at diverting the attention of the people since the ruling party was unable to fulfil the promises it had made to the people.
