Govt, RBI in talks to boost e-com exports

Efforts on to ease Fema norms, says DGFT Sarangi

ASIT RANJAN MISHRA
New Delhi, 14 March

The commerce ministry is in discussions with the Reserve Bank of India (RBI) to facilitate e-commerce exports by liberalising the Foreign Exchange Management Act (Fema) guidelines, Santosh Kumar Sarangi, Director General of Foreign Trade (DGFT), said on Thursday.

“A few days back we had a meeting with the entire team of RBI officials who deal with this. There is a lot of liberalisation which is coming in the RBI guidelines and we should be seeing the results in next two to three months with regard to e-commerce (export) policies,” Sarangi said at the 1st Asia Pacific e-commerce policy summit organised by economic think tank Icrier.

Sarangi said that for business to business (B2B) shipments, the RBI has a Fema guideline under which payments have to be realised within a certain period of time (nine months). “But in commerce that time may get expanded,” Sarangi said, indicating that the commerce department is working with the RBI to liberalise the guideline for e-commerce exports.

The commerce department is also working with the Department of Revenue and the Department of Post to expedite ecommerce exports

For any export realisation, Fema guidelines also suggest that the realisation has to be knocked off against the shipping bill. “That’s done through generation of an Electronic Bank Realisation Certificate (e-BRC). DGFT’s team is working with RBI so that this e-BRC is done through a self-declaration basis. This will help exporters who have a large number of consignments with small values. They will be able to do it themselves without approaching a bank. So that would result in a lot of ease of doing business for e-commerce players,” Sarangi said.

At present, e-BRC is uploaded on the DGFT system by banks on realisation of payment against exports. Any firm applying for benefits under Foreign Trade pol-

icy is required to furnish e-BRC as a proof of realisation of payment against exports made. Sarangi said that apart from the RBI, the commerce department is working with the Department of Revenue and the Department of Post to expedite e-commerce exports. “Designating zones where accountability and responsibility is inbuilt, and clearing consignments at a very fast pace would be crucial. Along with that, sufficient warehousing within and abroad, and meeting the consumer demand on a real-time basis would also be key. So we are working with the Department of Revenue, Department of Post, and with a lot of private stakeholders to work on a range of policies which impact e-commerce,” he added.

Farmers say stir to go on until demands met

Farmers at a mahapanchayat in New Delhi on Thursday

Thousands of farmers gathered at Ramlila Maidan on Thursday and pledged to continue their protest until the Centre fulfils their pending demands, including a law on the minimum support price (MSP).

The farmers flocked in large numbers to take part in *Kisan Mazdoor Mahapanchayat* held under the banner of the old Samyukta Kisan Morcha (SKM), an umbrella body of farmer organisations that spearheaded a protest at Delhi’s borders in 2020-21 against three agriculture laws that have since been repealed. Vowing that the protest will go on, the protestors, who

started congregating at the venue in the morning, said they will observe March 24 as ‘Save Democracy Day’ against the alleged ‘anti-people’ policies of the Central government. The agitating farmers’ demands include guaranteed MSP which is 50 per cent more than the comprehensive cost, loan waiver, an end to privatisation of electricity and action against the culprits of the Lakhimpur Kheri incident.

Security was beefed up in Delhi and heavy force was deployed to check vehicles in the central parts of the city due to the farmers’ rally.

Govt plans to develop MSME export hubs

VIRENDRA SINGH RAWAT
Lucknow, 14 March

The state government is looking to develop local export hubs and nudge the e-commerce sector to double micro, small and medium enterprises (MSME) shipments to ₹3 trillion in two-three years.

The sector contributes 60 per cent to UP’s annual industrial output and is the leading employment generator after agriculture and allied activities. The MSME department is working on a plan to promote 75 districts as potential export hubs for local industries to create jobs and contribute to the ₹1 trillion dollar economy goal.

The state will invest in the promotion and online marketing of MSMEs, especially under the One District One Product (ODOP) scheme, to compete in the global markets.

The sector played a vital role in attracting private investment in the state, said Rakesh Sachan, the state’s MSME minister. The MSME department will send officials to Tamil Nadu and Odisha to study the mechanism of raw material banks set up in these states for possible replication. However, these industries faced impediments to working capital,

The UP government will invest in promotion and online marketing of MSMEs, especially under the One District One Product scheme

lack of marketing support, etc. In this regard, the UP government launched the ODOP scheme to revive traditional handicrafts and indigenous industries. Addressing a recent MSME programme in Lucknow, Chief Minister Yogi Adityanath said that when indigenous products gain traction, it is imperative to nurture and incentivise them with a robust platform to flourish in the market.

Two air services launched in boost for religious tourism

SANDEEP KUMAR
Bhopal, 14 March

Madhya Pradesh Chief Minister Mohan Yadav on Thursday launched PM Shri Tourism Air Service and PM Shri Religious Tourism Helicopter Service with the aim of expanding religious tourism in the state.

Launching this service at a function in the capital city Bhopal, Yadav said: “Our effort is to build airstrips in all the districts of the state and expand interstate air service.”

He said that there will be air connectivity between Indore to Mahakaleshwar

(Ujjain) and Omkareshwar. After air service, helicopter service will be started for religious places like Datia, Orchha, and Maihar, etc.

Under the two services, two twin-engine aircraft will be operated for an affordable journey, said MP’s Tourism, Culture and Religious Trust Minister Dharmendra Lodhi.

A contract has been signed with aircraft operator FlyOla and the operator will have to look after assortment of flight routes,

establishment of ticket counters, local staff selection, and training within two months. After this, regular operation of services will be started.

Under the scheme, one twin-engine helicopter will be operated from Bhopal and one single-engine helicopter will be present in Indore and Ujjain.

Booking can be done online through Madhya Pradesh Tourism portal, Make My Trip, agoda, besides other portals.

Under the two services, two twin-engine aircraft will be operated for an affordable journey

BPCL to set up 2 CBG plants in Raipur, Bhilai

State-run Bharat Petroleum Corporation Limited (BPCL) on Wednesday signed a tripartite Memorandum of Understanding (MoU) with Chhattisgarh Biofuel Development Authority (CBDA) and the state municipal corporations of Raipur and Bhilai for the production of compressed biogas (CBG). BPCL will set up CBG plants in Raipur and Bhilai. About 200 to 250 metric tonnes of municipal solid waste will be used in the production of biofuel every day. BPCL will invest ₹100 crore in the two plants, the spokesperson said, making the total capacity of each plant to 100-150 tonnes per day (TPD).

The construction of the plant would create direct and indirect employment of about 60,000 man-days per year in the state.

Govt plans to boost millet production

The Rajasthan government has decided to distribute free seeds of millets and coarse grains to the state’s farmers in a bid to boost millet production. “We have decided to provide free mini kits of maize seeds to 1.2 million farmers, pearl millet (bajra) seeds to 800,000 farmers, mustard seeds to 700,000 farmers, moong seeds to 400,000 farmers, and sorghum (jowar) and moth seeds to 100,000 farmers,” Chief Minister Bhajan Lal Sharma said.

An official of the agriculture department said that the free seeds kits will be distributed starting next financial year. Rajasthan has a share of 26 per cent in total millet production of the country. The state also accounts for 41 per cent bajra production in the country.
