SC admits Maha petition against HC's 7/11 order

Bombay HC had acquitted all 12 accused on Monday

BHAVINI MISHRA
New Delhi, 22 July

The Maharashtra government on Tuesday moved the Supreme Court against the Bombay High Court's decision to acquit all 12 accused in the 2006 Mumbai train blast case, in which 189 people had lost their lives. The apex court will hear the case on Thursday.

A division Bench of the high court (HC) on Monday overturned the conviction of all 12 accused, saying that cases against them had not been proven beyond a doubt.

Of the 12, five were facing the death penalty, while the others had been sentenced to life imprisonment. A bench of

Justices Anil Kilar and Shyam Chandak observed: "The prosecution utterly failed in establishing the case beyond reasonable doubts," the HC observed.

The court said that the investigation and trial process were fraught with serious irregularities. The high court found the statements of nearly all prosecution witnesses unreliable. "There was no reason for the taxi drivers or people in the train to remember the accused after almost 100 days of the blast," the HC bench observed.

The overturning of the convictions comes nearly a decade after a special court in Mumbai awarded the death penalty to five and life sentences to the remaining seven convicts.

On Tuesday, appearing for the Maharashtra government, Solicitor General Tushar Mehta urged the apex court to hear the case on a priority basis.

House panel calls for RRTS link between IGI and Jewar airports

A parliamentary panel has recommended that the Union Housing and Urban Affairs Ministry connect the Indira Gandhi International Airport and the under-construction Jewar Airport through the Regional Rapid Transit System (RRTS) corridors.

The Standing Committee on Housing and Urban Affairs, chaired by Magunta Sreenivasulu Reddy, appreciated the efforts of the National Capital Region Transport Corporation (NCRTC) for ensuring multimodal integration of RRTS with other transport modes.

The committee emphasised that Jewar Airport is expected to become a key transport hub for residents of Ghaziabad, Gautam Budh Nagar, and nearby areas in the future. The growth of facilities along the Ghaziabad-Noida-Greater Noida corridor makes it even more crucial to connect these areas through a fast, safe, reliable, and efficient transport system like RRTS. The panel also noted that two major transport nodes in Delhi-NCR — Indira Gandhi International Airport and Jewar Airport — are yet to be integrated with the RRTS network.

Bihar SIR: Over 5.2 million electors not found at address

During house-to-house visit in the ongoing Special Intensive Revision (SIR) of electoral roll in Bihar, poll officials have so far found that more than 5.2 million voters were not present at their addresses and another 1.8 million have died. The Election Commission said on Tuesday that 2.6 million electors have shifted to different constituencies, while another seven lakh have enrolled at two places.

Poll officials in the state have shared detailed lists of the 2.1 million electors whose enumeration forms have not been received so far and also of the nearly 5.2 million who are reportedly deceased or permanently shifted or have enrolled at multiple places.

From August 1 — when draft electoral rolls will be published — to September 1, a full one-month will be available to any member of the public to file objections to any additions, deletions and rectification in the draft poll rolls.

Functionaries said the 12 political parties which have been given a list of electors who have shifted, not found or have died will know why such names will not be included in the draft rolls.

State eyes ₹2,000 cr MSME deals at global trade event

VIRENDRA SINGH RAWAT
Lucknow, 22 July

Uttar Pradesh is targeting business deals worth around ₹2,000 crore for micro, small, and medium enterprises (MSMEs) at the upcoming UP International Trade Show (UPTS) 2025 in Greater Noida.

The third edition of the five-day trade fair will be held from September 25 to 29 at the India Expo Mart. The event being jointly organised by the UP government and India Exposition Mart will showcase 'Make in UP' and 'Made in UP' themes to domestic and global buyers, investors, and exporters.

According to MSME, Khadi, and Textile Minister Rakesh Sachan, around 2,400 exhibitors are expected, with the event projected to draw over 125,000 B2B visitors, 450,000 B2C visitors, more than 550 international buyers from 70 countries, and over 35,000 business meetings.

With a goal to become India's first \$1 trillion economy, the state is pitching itself as a global sourcing hub for major trading firms, importers, exporters, and e-commerce platforms.

Last year's edition, which had Vietnam as the partner country, generated nearly ₹600 crore in business.

To build momentum, the Yogi Adityanath-led government has launched roadshows in New Delhi, Hyderabad, and Bengaluru, with upcoming shows planned in Mumbai, Ahmedabad, among others.

At the Bengaluru leg, over 250 industrialists and exporters from sectors like food processing, machinery, electronics, handicrafts, and apparel participated.

CHHATTISGARH

2nd state to pass Jan Vishwas Bill

R KRISHNA DAS
Raipur, 22 July

Chhattisgarh has become second Indian state to pass the Jan Vishwas Bill that decriminalises British-era laws to improve ease of doing business in the state.

The Bill aims to decriminalise minor technical violations by citizens and business owners. Offences committed under the newly introduced Bill will attract monetary penalties, instead of criminal charges.

Madhya Pradesh had passed a similar legislation in December last year. In 2023, the Union government had passed a Bill decriminalising 183 provisions in 42 Central Acts administered by 19 ministries/departments.

The Chhattisgarh Legislative Assembly passed the Bill by a voice vote on Friday, the last day of the monsoon session. The move was part of a larger strategy to foster ease of doing business, particularly for micro, small, and medium enterprises and promote trust-based governance, a government official said. It will ease the burden on the judicial system by cutting down on avoidable litigation, while sparing citizens from facing criminal proceedings for minor lapses, the official added.

The Bill amends 163 provisions across eight Acts, including the Urban Administration Department Act, Nagar Tatha Gram Nivesh Act, Society Registration Act, Chhattisgarh Industrial Relations Act, the Chhattisgarh Cooperative Society Act, and Chhattisgarh Excise Act.

The new Bill for the first time mandates only monetary fine for consumption of alcohol publicly, however, repeated offenders to face both fine and potential imprisonment.

The earlier provision of filing a criminal case against landlords failing to report rent hikes under the Urban Administration Department Act has been scrapped. Instead, a maximum penalty of ₹1,000 will now be slapped for non-compliance.

Special action plan in works for ₹35 trn MoUs

ANIL SHARMA
Jaipur, 22 July

The Rajasthan government is preparing a special action plan for implementing memorandums of understanding (MoUs) signed during the Rising Rajasthan Summit in December last year, a senior official said. The summit saw the signing of MoUs worth around ₹35 trillion across sectors, a record for the state, according to the official.

As of June 2025, MoUs worth over ₹4 trillion have entered the implementation phase — up from ₹3.08 trillion in March, he said.

"What is notable is that, within six months of the summit, investment intents worth ₹4 trillion are at various stages of implementation," the official said.

"The three-tier review mechanism and direct supervision by Chief Minister Bhajan Lal Sharma have resulted in achieving this feat."

The state government has classified the MoUs into three categories: Proposals exceeding ₹1,000 crore are reviewed by the CM, those between ₹100 crore and ₹1,000 crore by the chief secretary, and those below ₹100 crore by the principal secretary (industries).
