26/11 Conspiracy Case: Tahawwur Rana moves Court for family interaction

NEW DELHI : Tahawwur Rana, a key accused in the 26/11 conspiracy case, has petitioned the Patiala House Court for permission to communicate with his family. Currently in judicial custody, he has requested access to jail-provided facilities for family interaction, in accordance with regulations.

To facilitate this request, Rana has submitted a fresh application before the NIA court, which is set for hearing tomorrow before Special NIA Judge Chander Jit Singh.

Previously, the court had denied his plea to speak with his family over the phone while he was in NIA custody. His lawyer, Piyush Sachdeva, argued that, as a foreign national, Rana has a fundamental right to contact his family, who are concerned about his well-being in custody. However, the NIA opposed the request, citing the ongoing investigation and the risk of sensitive information being disclosed.

Recently, the National Investigation Agency (NIA) collected voice and handwriting samples from Rana, who was extradited from the United States. He provided handwriting specimens by writing various alphabets and numerical characters. Advocate Sachdeva confirmed that Rana fully complied with the court's directive to submit these samples.

The Special NIA Court recently granted approval for the NIA to obtain voice and handwriting samples from Rana, a 64-year-old Canadian businessman of Pakistani origin. He was extradited from the United States in connection with his alleged role in the 2008 Mumbai terror attacks.

Following his extradition, he was placed under NIA custody in New Delhi, where investigators are probing.

Vice President emphasises indigenous strength, says "peace is secured when you are ever ready for war"

NEW DELHI : Emphasising that India needs indigenous strength for national security, Vice President Jagdeep Dhankar said on Tuesday that war is best avoided from a position of strength.

Speaking at the inaugural session of Rajya Sabha Internship Program-phase 7, the Vice President said that Operation Sindoor has changed the mindset of people massively with regard to national security, national economy and national welfare. "We are now nationalistic as never before," he said.

"The recent episode, Operation Sindoor, has changed our mindset massively. We are now nationalistic as never before. And this is reflected in participation of all political landscape in delegations that have gone abroad to project our message of peace and our complete intolerance to terrorism. And therefore, having seen recent events, well, we have no choice. We have no other option but to remain united and grow stronger," he said.

"Like institutions, even political tribes have a moral duty to the national cause, because ultimately all Institutions, the Legislature, the Judiciary, the Executive, the focal point is national growth, national welfare, public welfare, to generate transparency, accountability, honesty. On issues of national security, economic progress, all factions need to put national interest over partisan priorities. I will appeal to everyone in the political spectrum to seriously reflect,

come to a conclusion that on issues of national security, on issues of growth, on issues of our internal security, there must be consensus. Sometimes politics get too hot for nationalism and security, something we need to overcome," he added.

The Vice President said that technological progress and arms strength also contribute to national strength. "For national security, we need indigenous strength. War is best avoided from position of strength. Peace is secured when you are ever ready for war...strength comes apart from technological prowess, conventional arms strength, from people also."

He highlighted the need for the citizens to carry out their duties.

"The balance has to be maintained. Let us not cherry-pick. We'll go for fundamental rights, claiming them 24x7, and be totally oblivious of fundamental duties...if we focus only on our rights and not on duties, we don't meas-

ure up to the requirement of a citizen in the largest democracy, the oldest, the most functional. There are 11 fundamental duties. These duties were not initially there in the Constitution. And I'll tell you for a reason. Our founding fathers obviously expected that we will be aligned to these duties. We will respect those duties," he said.

"But when it was noticed that it is required to spell them out in the Constitution so that people in particular become aware of these. And these were introduced by 42nd Amendment and 86th Amendment. If I have to give a sense of fundamental duties, it is to prioritise national well-being. To contribute optimally for public discourse, public order, public discipline, environment, everything which is known as goodness in life for one and all," he added.

The Vice President said Swadeshi is closely connected with economic nationalism. "Economic nationalism means we must consume Swadeshi. We must always take into consideration being vocal for local. This will inspire our people also to cater to our needs. But if we start importing from other countries, items that are generated in this country, we are immediately inviting three troubles," he said.

parliament has primacy on two counts- it is ultimate authority to make law," he said. "Secondly, it holds executive accountable. Because governance is defined by some fundamentals and one fundamental is transparency. Second is accountability, and in modern times, we have added a third facet to it. Optimal performance by institutions to gallop our progress trajectory. Parliament is a place, ultimate place, for debate, dialogue, discussion, and discourse," he added.

He underlined the significance of cooperation and consensus. "Our constitution, boys and girls, is a most sacred document. You will come to know how it was formalised, little less than three years, by our founding fathers who dealt with divisive issues, contentious issues, issues that were highly inflammatory, but they dealt with an approach of coordination, cooperation, consensus, something you have to learn in life," he said.

"And for that, what is important is that, what is important is that, what is important is that, you think you alone are right, the other person is wrong, you are depriving yourself of a great benefit of input. And secondly, my own experience is, more often than not, the other point of view is the correct view," he added.

The Vice President said the Constitution grants fundamental rights, but it also ordains every citizen to perform duties.

Delhi HC defers arguments on Medha Patkar's plea in defamation case

NEW DELHI : The Delhi High Court deferred further arguments on social activist Medha Patkar's plea against a trial court order in a defamation case on Tuesday. She was convicted and sentenced in a defamation case filed by incumbent LG VK Saxena in 2001.

Justice Shalinder Kaur deferred further arguments for July 14 and 15 by the counsel for Medha Patkar.

Advocate Gajinder Kumar appeared for LG VK Saxena before the High Court. The High Court is hearing two petitions moved by Medha Patkar: one against the trial court judgement and the other against an order denying her permission to call an additional witness to examine in a defamation case filed by her against Saxena. Earlier on April 25, the Delhi HC had deferred the order of sentence awarded to Medha Patkar and directed her release. The High Court said that the interim order

The High Court, as interim relief, directed the release of her on bail. She was convicted and sentenced to 3 months imprisonment in a Defamation case filed by incumbent LG V K Saxena in 2001. However, the appellate court had sentenced her and

directed to release her on the probation of good conduct for one year and payment of compensation of Rs 1 Lakh to Saxena. This order was challenged before the High court by her. "As contentious issues have been raised on behalf of the parties with respect to the suspension of sentence, and that the learned Senior Counsel submits that the petitioner has been taken in custody in execution of the NBW, therefore, in these circumstances, by way of an interim

means, the petitioner be released on bail on furnishing a personal bond in the sum of Rs. 25,000/- with one surety in the like amount to the satisfaction of the learned ASJ/Link ASJ/CMM/Duty Magistrate." Justice Shalinder Kaur ordered on April 25. Senior advocate Sanjay Parikh, along with advocate Abhimanyu Shreshth, had appeared for Medha Patkar. Medha Patkar had approached the Delhi High Court challenging the order of the Trial court con-

victing and sentencing her. The Delhi Police arrested her on the morning of April 25. Afterwards, she was produced before the Saket court, which issued an NBW against her on April 23, 2025, for non-compliance with an order. She was released after she furnished bond and submitted a compensation amount of Rs 1 lakh. These are consumables. We fancy what is abroad. Unmindful of the situation that we are injuring our national economy. I therefore assert economic nationalism is business of the people," he added.

Dhankhar, who is Rajya Sabha Chairman, said the Indian parliament is much beyond a legislative body. "It is reflection presently of 1.4 billion people's will. It is the only legitimized constitutional platform that reflects

authentically the will of the people, and therefore, Parliament has primacy. Parliament has primacy.

अवैध खनन पर हो रही है प्रशासनिक कार्रवाई, तस्कर बना रहे नई रणनीति

संवाददाता
धनबाद/चिरकुंडा : चिरकुंडा और पंचेत इलाकों में अवैध खनन के खिलाफ बीसीसीएल, सीआईएसएफ और स्थानीय पुलिस की कार्रवाई लगातार जारी है। कोयला तस्करो के खिलाफ पंचेत ओपी क्षेत्र के कारगिल से अवैध मुहानों की भराई का शुरु हुआ सिलसिला चिरकुंडा के डुमरी जोड़ तक पहुंच गया है। यहां कोयला तस्करो द्वारा आधे दर्जन से अधिक खोले गए अवैध मुहानों को सीमावार को बीसीसीएल प्रबंधन ने सीआईएसएफ और स्थानीय पुलिस की मौजूदगी में डोजरिंग करा भर दिया। इसके अलावा पलासिया

जंगल में भी अवैध मुहानों की जल्द भराई की बात कही जा रही है। इस संयुक्त कार्रवाई की जहां स्थानीय लोग खुले मन से प्रशंसा कर रहे हैं वहीं दूसरी ओर कई लोग इसे सिर्फ खानापूर्ति बता कई प्रकार के सवाल उठा रहे हैं।
आखिर प्रशंसा के साथ कार्रवाई पर क्यों उठने लगे सवाल : पूरा निरसा विधानसभा क्षेत्र में कोयला तस्करो के कारनामे किसी से छुपे नहीं हैं। आय दिन इससे जुड़ा विवाद अखबारों की सुर्खियां भी बनते रहता है। अभी हाल के दिनों में निरसा क्षेत्र के मुखिया और स्थानीय राजद नेताओं ने आरोप लगाया कि अवैध काले कारोबार के खिलाफ

आवाज उठाने पर उनके घर हमला कराया गया साथ उन्होंने अपने जान कि चिंता भी जताई। वहीं दूसरी ओर पुलिस भी इनपर लगाम लगाने के लिए समय समय पर कार्रवाई करती रहती है इसके बाद भी न तो इनका मनोबल टूटता है और न ही काला कारोबार रुकता है। वहीं दूसरी ओर बीसीसीएल द्वारा बीते तीन दिनों से अवैध खनन रोकने के खिलाफ की गई कार्रवाई से इलाके के सभ्य नागरिक खुश हैं वहीं कुछ लोग अब भी प्रश्नचिह्न खड़े कर पुछ रहे हैं की इसकी क्या गारंटी है कि जिन स्थानों पर अवैध मुहानों की भराई की गयी है वहां फिर से मुहाना नहीं खुलेगा?

भराई वाले स्थलों की होगी निगरानी, एफआईआर भी कराया जायेगा दर्ज : जीएम

कारगिल और डुमरी जोड़ में बीसीसीएल स्थानीय पुलिस और सीआईएसएफ की संयुक्त कार्रवाई के बाद अवैध खनन के उन हॉट स्पॉटों की समय समय पर टीम द्वारा जांच भी की जाएगी, राष्ट्र की संपत्ति को किसी कीमत पर लूटने नहीं दिया जायेगा। उक्त बातें बीसीसीएल एरिया 12 के जीएम शशि भूषण कुमार ने दूरभाष पर दैनिक सन्मार्ग से कही। उन्होंने कहा की इसके बाद भी अगर तस्कर बाज नहीं आये तो उनपर एफआईआर दर्ज कराया जाएगा।

एक तरफ भराई दूसरी तरफ फिर से मुहाने खोलने पर विचार शुरु : नाम न छपने की शर्त पर कारगिल और डुमरी जोड़ में भराई किये गए अवैध मुहानों के आपस रखने वाले कुछ लोगों ने बताया की जब बीसीसीएल द्वारा भराई कार्य किया जा रहा था उस समय भी तस्कर के गुर्गे चुप कर भराई कार्य देख रहे थे और कार्रवाई से जुड़े सारी सूचना अपने आकाओं तक पहुंचा रहे थे। वहीं कईयों ने बताया कि भराई के कुछ घंटों बाद ही तस्कर फिर से वहां पहुंच कर अवैध खनन के लिए प्रारंभ किये गए मुहानों को फिर खोलने की जुगत में लग गए हैं। वहीं बताया जा रहा है कि मंगलवार को भी तस्कर और उसके गुर्गे भराई वाले स्थान पर पहुंच फिर से मुहानों को खोलने पर विचार कर रहे थे। स्थानीय लोगों का कहना है कि इनकी मुहानों को स्थायी तौर पर बीसीसीएल भराई करे सिर्फ डोजरिंग करने के बाद तस्कर फिर से बड़े आसानी से मिट्टी और पत्थर हटा दोबारा अवैध खनन शुरु कर देते हैं। वहीं माईनिंग से जुड़े कुछ जानकारों का कहना है जंगल वाले इलाके में खोले गए मुहानों को बीसीसीएल द्वारा ब्लास्टिंग कर धंसा देना चाहिए ताकि तस्करो द्वारा बनाये गए सुरंग नुमा पूरा रास्ता ही ध्वस्त हो जाये।
