DOUBLING DOWN ON AUTOMATION

Dailyhunt parent to fire 350 staff in AI-led pivot

FE BUREAU Bengaluru, May 17

VERSE INNOVATION, THE parent company of content platform Dailyhunt and short video app Josh, announced it will cut approximately 350 jobs globally as part of a broader restructuring effort that includes automating several manual processes to achieve efficiency and profitability by the end of this financial year.

The company is doubling down on automation to replace manual processes, in line with global trends that favour leaner, tech-driven operations. The layoffs, the company said, are part of a "well thought through comprehensive plan" designed to align VerSe's strategy and organisational structure with its long-term priorities and growth objectives.

VerSe Innovation projects 75% growth in FY25

Growth is expected to be driven by recent AI-powered product initiatives

In FY24, VerSe saw a 51% reduction in Ebitda burn, bringing it down to ₹710 cr

Auditors flagged several material weaknesses in internal financial controls

The company's revenue for FY24 stood at ₹1,261 cr

They said VerSe lacked adequate controls in critical financial processes

"Building on this momentum, VerSe Innovation projects over 75% revenue growth in FY25, outpacing the anticipated 10-15% growth rate of the Indian digital advertising sector," a company spokesperson said.

The projected growth is

expected to be driven by the company's recent AI-powered product initiatives, including NexVerse.ai, its AI-driven AdTech platform; Dailyhunt Premium, a subscription product launched in partnership with Magzter; and VerSe Collab, its influencer cam-

paign management suite.

In FY24, VerSe reported a 51% reduction in Ebitda burn, bringing it down to ₹710 crore from ₹1,448 crore in FY23. This was largely attributed to significant cost-cutting in service and marketing expenditures. The company's revenue for FY24 stood at ₹1,261 crore.

However, the restructuring comes at a time when VerSe is under scrutiny for its financial governance.

Less than a month ago, auditors from Deloitte Haskins & Sells flagged several material weaknesses in the company's internal financial controls for FY24.

According to the auditors, VerSe lacked adequate controls in critical financial processes, including supplier evaluation, purchase order approvals, invoice processing, and verification of service receipts.

Aga steps down as Gensol CFO

DAYS AFTER THE resignation of Gensol promoters, chief financial officer (CFO) Jabirahendi Mohammedraza Aga has also quit the crisis-hit company with immediate effect.

In his resignation letter, available on stock exchanges, Aga said Gensol Engineering is currently facing significant challenges, with multiple regulatory bodies conducting investigations and the top management resigning from their respective roles.

Furthermore, the disorganisation of critical data across various departments is hindering the company's ability to effectively respond to the ongoing inquiries due to lack of a cohesive support system, Aga said.

"The immense pressure resulting from these circumstances is adversely affecting my physical and mental well-being, leading to a complete loss of focus on my responsibilities. Therefore, I have made the difficult decision to resign, believing it to be in the best interest of the company under these trying conditions," he said. PTI

RBI to issue ₹20 notes with new governor signature

THE RESERVE BANK of India announced that it will soon issue ₹20 denomination banknotes in the Mahatma Gandhi (New) Series bearing the signature of the new governor Sanjay Malhotra, a statement said.

The new notes will retain the existing design and features of the current ₹20 notes in circulation, except for the new governor's signature. The

RBI also clarified that all previously issued ₹20 banknotes will continue to be legal tender.

Sanjay Malhotra was appointed as the RBI governor, effective from December 11, 2024.

Legal Tender is a coin or a banknote that is legally tenderable for discharge of debt or obligation.

To facilitate the distribu-

tion of banknotes and rupee coins, the Reserve Bank has authorised select scheduled banks to establish currency chests. These are storehouses where banknotes and rupee coins are stocked on behalf of the Reserve Bank for distribution to bank branches in their area of operation.

As on February 28, 2025, there were 2,691 currency chests. ANI

Fraudsters hack Himachal co-op bank server, steal ₹11 crore

PRESS TRUST OF INDIA Shimla, May 17

FRAUDSTERS ALLEGEDLY USED a customer's mobile phone to hack the Himachal Pradesh State Co-operative Bank server and withdrew ₹11.55 crore, officials said on Saturday.

The money was transferred to 20 accounts.

The transactions were done on May 11-12 but, due to May 13 being a holiday, the matter came to light on May 14 after the bank authorities received the Reserve Bank of India (RBI) transaction report.

A complaint was immediately filed at Shimla Sadar police station, bank officials said. The fraudsters allegedly hacked the server through a mobile phone application of a customer, who holds an account at the bank's Hatli branch in Chamba district.

The case has been transferred to the police's cyber-crime branch.

Deputy Inspector General of Police (Cyber Crime) Mohit Chawla said investigations were underway and a team from CERT-In - the nodal agency for responding to cyber security cases - would reach Shimla on Saturday and join the probe. Experts are trying to ascertain how the bank's security was breached.
