IMEC, energy ties in focus as PM begins Saudi visit

Possibility of pacts being explored in logistics, clean energy, data cooperation

SUBHAYAN CHAKRABORTY
New Delhi, 22 April

Prime Minister Narendra Modi is expected to discuss the next steps for the India-Middle East-Europe Economic Corridor (IMEC) with Saudi PM and Crown Prince Mohammed Bin Salman during his two-day visit to Saudi Arabia that began on Tuesday, sources said. The bilateral talks will also aim to further efforts to interlink power grids through sub-sea cables, and greater collaboration in green hydrogen, they said.

Launched on the sidelines of the Group of 20 (G20) Summit in Delhi in September 2023, the IMEC aims for a reliable and cost-effective cross-border ship-to-rail transit network to supplement existing maritime and road transport routes, and enable goods and services trade among India, United Arab Emirates, Saudi Arabia, Jordan, Israel, and Europe. "There was a period of slow progress last year when many of the nations part of the discussions had other priorities. But now, talks on the corridor are getting a renewed push," an official said.

Prime Minister Narendra Modi's third visit to the country — after 2016 and 2019

Ahead of his visit, Modi told Riyadh-based Arab News that the IMEC has the potential to become the "new Silk Route of the 21st century".

India and the European Union had committed to realising the full potential of the corridor in February, when European Commission President Ursula von der Leyen visited India.

India and Saudi Arabia are actively exploring opportunities in regional connectivity, logistics, clean energy, and data

cooperation under the IMEC.

A memorandum of understanding (MoU) signed between India and Saudi Arabia in 2023 to connect the electricity grid is expected to become one of the major pillars of the IMEC initiative, Foreign Secretary Vikram Misri said last week, adding that an agreement on clean hydrogen was also possible.

This is the PM's third visit to the country after 2016 and 2019. During the visit, the PM will attend the second meeting of the Strategic Partnership Council, two years after the first meeting took place on the sidelines of the New Delhi G20 Summit. Bilateral trade and energy supplies also feature on the PM's agenda. India is Saudi Arabia's second-largest trade partner, while the Kingdom is India's fifth-

largest trade partner. Trade between India and Saudi Arabia stood at nearly \$43 billion in 2023-24, of which nearly \$31.42 billion was in imports, while outbound shipments made up \$11.56 billion.

That year, Saudi crude made up for 14.3 per cent of India's crude oil imports, while the Kingdom was the third-largest source of liquefied petroleum gas (LPG) for India, accounting for almost 18 per cent of LPG shipments to India. While Indian importers have historically sourced crude oil from Saudi Arabia and the Gulf, New Delhi is keen on establishing further strategic linkages with nations in the region to solidify its energy security further. The two sides are also expected to sign a slew of MoUs across space, health, science, culture, and advanced technologies.

NDA may name convenor

ARCHIS MOHAN
New Delhi, 22 April

With the Bihar Assembly polls scheduled later this year and some of its constituents keen that their concerns be given a hearing in a structured format, the Bharatiya Janata Party (BJP)-led National Democratic Alliance (NDA), could soon appoint either a chairperson or a convenor.

The NDA's last convenor was N Chandrababu Naidu. On Tuesday, Naidu had returned from Europe after celebrating his 75th birthday with his family, met several Union ministers, including Home Minister Amit Shah, in the national capital.

Naidu was the convenor of the NDA from 2013 to 2018, when the Telugu Desam Party, which he still leads, had exited the alliance. However, unlike the practice since 1998, when the NDA was founded, the convenor of what is now a 41-party coalition could be from the Bharatiya Janata Party, sources said.

The NDA was formally launched on May 15, 1998. Its first convenor was socialist leader George Fernandes, who was then with the Samata Party, which later merged with the Janata Dal (United). Fernandes was convenor from 1998 to 2008. JD (U)'s Sharad Yadav succeeded Fernandes as the NDA convenor until the Nitish Kumar-led JD (U) walked out of the alliance in 2013. Naidu succeeded Yadav.

In July 2024, on his first visit to the national capital after being sworn in as the Andhra Pradesh chief minister in June, Naidu told the media that his party was amenable to heading any coordination committee that the NDA might set up. "As and when needed, I am prepared. If there is any proposal from the NDA, I will think about it," he said. However, the NDA's coordination committee, revived in the run up to the 2014 Lok Sabha polls, had become dys-

KEEPING ALLIES HAPPY

- **1990:** Prime Minister VP Singh met BJP and Left leaders, parties which gave outside support to his govt, for dinner every week
- **1996-98:** During the 13-party United Front govt, coalition partners had a steering committee with N Chandrababu Naidu as convenor
- **1998-99 & 1999-2004:** During the Atal Bihari Vajpayee-led NDA governments, George Fernandes was the convenor of coordination committee. In 2008, Sharad Yadav replaced Fernandes. In 2013, when the JD (U) exited NDA, Naidu succeeded him
- **2004-2008:** UPA-I government, Congress, and Left leaders had a coordination committee
- **2009-2014:** During UPA-II, Congress relented to form a coordination committee after NCP protested, but it remained dysfunctional
- **2014-2019:** In the Modi-led government, the coordination panel met a few times until 2016 but was mostly inoperative. Naidu was the convenor from 2013 to 18. The NDA did not have a convenor after the TDP severed its alliance with the BJP in 2018

functional by the middle of 2016. The NDA, as the BJP won single party majorities in 2014 and 2019, was largely forgotten during the period. In the last week of May, 2023, the Narendra Modi-led government celebrated its ninth anniversary with customary fanfare. Almost a fortnight before this, the 25th anniversary of the NDA, which was formally launched on May 15, 1998, had gone unnoticed.

Million gig workers registered on e-shram: Mandaviya

Nearly a million gig workers have been registered on the e-Shram portal so far, Union labour minister Mansukh Mandaviya told reporters on Tuesday. "The registration of gig workers is an ongoing process, and we're working in line with the Budget announcement. We are likely to register 3-4 million in the next three months," the minister said. Earlier in February, Finance Minister Nirmala Sitharaman, in her Budget speech, had said that the Centre will provide identity cards to gig workers and register them on the e-Shram portal. "They will also be provided healthcare under the PM Jan Arogya Yojana (PM-JAY). This is likely to assist nearly 10 million gig workers," Sitharaman had said.

Parliament supreme, says V-P; Constitution is, retorts Sibal

Vice-President Jagdeep Dhankhar (pictured) on Tuesday hit out at his critics for questioning his remarks on a recent Supreme Court order, asserting that every word spoken by a constitutional functionary is guided by supreme national interest.

Asserting that Parliament is supreme, Dhankhar said: "There is no visualisation in the Constitution of any

authority above Parliament. Parliament is supreme... Let me tell you, it is as supreme as every individual in the country."

He also underscored that there should be "no doubt" that the Constitution is for the people and its repository of safeguarding is that of the elected representatives.

Neither Parliament nor the executive but the Constitution is supreme, Opposition leaders said as they hit back at Vice-President Jagdeep Dhankhar who slammed his

India's Opec oil imports at record low as Russian flows surge

The share of Organization of Petroleum Exporting Countries (Opec) oil in India's imports fell to a record low in the previous financial year (FY25) as refiners continued to gorge on cheaper oil from Russia, the top oil supplier to New Delhi for the third straight year, data obtained from trade and industry sources showed.

India, the world's third biggest oil importer and consumer, has been tapping Russian oil sold at a discount after Western nations imposed sanctions on Moscow over the Ukraine war.

The country imported an average of 4.88 million barrels per day (bpd) of oil in FY25, a growth of 5 per cent over the previous year.

Import of Russian oil rose 7.3 per cent to 1.76 million bpd, raising its share marginally to 36 per cent while Opec's share slipped slightly to 48.5 per cent.

Altered trade flows due to geopolitical tensions and costlier shipments from some traditional suppliers have pushed India to diversify sources of crude and tap cheaper supplies from even far-flung areas such as Russia.

IMEC, energy ties in focus as PM begins Saudi visit

Possibility of pacts being explored in logistics, clean energy, data cooperation

SUBHAYAN CHAKRABORTY
New Delhi, 22 April

Prime Minister Narendra Modi's third visit to the country — after 2016 and 2019

Prime Minister Narendra Modi is expected to discuss the next steps for the India-Middle East-Europe Economic Corridor (IMEC) with Saudi PM and Crown Prince Mohammed Bin Salman during his two-day visit to Saudi Arabia that began on Tuesday, sources said. The bilateral talks will also aim to further efforts to interlink power grids through sub-sea cables, and greater collaboration in green hydrogen, they said.

Launched on the sidelines of the Group of 20 (G20) Summit in Delhi in September 2023, the IMEC aims for a reliable and cost-effective cross-border ship-to-rail transit network to supplement existing maritime and road transport routes, and enable goods and services trade among India, United Arab Emirates, Saudi Arabia, Jordan, Israel, and Europe. "There was a period of slow progress last year when many of the nations part of the discussions had other priorities. But now, talks on the corridor are getting a renewed push," an official said.

Ahead of his visit, Modi told Riyadh-based Arab News that the IMEC has the potential to become the "new Silk Route of the 21st century".

India and the European Union had committed to realising the full potential of the corridor in February, when European Commission President Ursula von der Leyen visited India.

India and Saudi Arabia are actively exploring opportunities in regional connectivity, logistics, clean energy, and data

cooperation under the IMEC. A memorandum of understanding (MoU) signed between India and Saudi Arabia in 2023 to connect the electricity grid is expected to become one of the major pillars of the IMEC initiative, Foreign Secretary Vikram Misri said last week, adding that an agreement on clean hydrogen was also possible.

This is the PM's third visit to the country after 2016 and 2019. During the visit, the PM will attend the second meeting of the Strategic Partnership Council, two years after the first meeting took place on the sidelines of the New Delhi G20 Summit. Bilateral trade and energy supplies also feature on the PM's agenda. India is Saudi Arabia's second-largest trade partner, while the Kingdom is India's fifth-

largest trade partner. Trade between India and Saudi Arabia stood at nearly \$43 billion in 2023-24, of which nearly \$31.42 billion was in imports, while outbound shipments made up \$11.56 billion.

That year, Saudi crude made up for 14.3 per cent of India's crude oil imports, while the Kingdom was the third-largest source of liquefied petroleum gas (LPG) for India, accounting for almost 18 per cent of LPG shipments to India. While Indian importers have historically sourced crude oil from Saudi Arabia and the Gulf, New Delhi is keen on establishing further strategic linkages with nations in the region to solidify its energy security further. The two sides are also expected to sign a slew of MoUs across space, health, science, culture, and advanced technologies.

NDA may name convenor

ARCHIS MOHAN
New Delhi, 22 April

With the Bihar Assembly polls scheduled later this year and some of its constituents keen that their concerns be given a hearing in a structured format, the Bharatiya Janata Party (BJP)-led National Democratic Alliance (NDA), could soon appoint either a chairperson or a convenor.

The NDA's last convenor was N Chandrababu Naidu. On Tuesday, Naidu who had returned from Europe after celebrating his 75th birthday with his family, met several Union ministers, including Home Minister Amit Shah, in the national capital.

Naidu was the convenor of the NDA from 2013 to 2018, when the Telugu Desam Party, which he still leads, had exited the alliance. However, unlike the practice since 1998, when the NDA was founded, the convenor of what is now a 41-party coalition could be from the Bharatiya Janata Party, sources said.

The NDA was formally launched on May 15, 1998. Its first convenor was socialist leader George Fernandes, who was then with the Samata Party, which later merged with the Janata Dal (United). Fernandes was convenor from 1998 to 2008. JD (U)'s Sharad Yadav succeeded Fernandes as the NDA convenor until the Nitish Kumar-led JD (U) walked out of the alliance in 2013. Naidu succeeded Yadav.

In July 2024, on his first visit to the national capital after being sworn in as the Andhra Pradesh chief minister in June, Naidu told the media that his party was amenable to heading any coordination committee that the NDA might set up. "As and when needed, I am prepared. If there is any proposal from the NDA, I will think about it," he said. However, the NDA's coordination committee, revived in the run up to the 2014 Lok Sabha polls, had become dys-

KEEPING ALLIES HAPPY

■ 1990: Prime Minister VP Singh met BJP and left leaders, parties which gave outside support to his govt, for dinner every week

■ 1996-98: During the 13-party United Front govt, coalition partners had a steering committee with N Chandrababu Naidu as convenor

■ 1998-99 & 1999-2004: During the Atal Bihari Vajpayee-led NDA governments, George Fernandes was the convenor of coordination committee. In 2008, Sharad Yadav replaced Fernandes. In 2013, when the JD (U) exited NDA, Naidu succeeded him

■ 2004-2008: UPA-I government, Congress, and Left leaders had a coordination committee

■ 2009-2014: During UPA-II, Congress relented to form a coordination committee after NCP protested, but it remained dysfunctional

■ 2014-2019: In the Modi-led government, the coordination panel met a few times until 2016 but was mostly inoperative. Naidu was the convenor from 2013 to 18. The NDA did not have a convenor after the TDP severed its alliance with the BJP in 2018

functional by the middle of 2016. The NDA, as the BJP won single party majorities in 2014 and 2019, was largely forgotten during the period. In the last week of May, 2023, the Narendra Modi-led government celebrated its ninth anniversary with customary fanfare. Almost a fortnight before this, the 25th anniversary of the NDA, which was formally launched on May 15, 1998, had gone unnoticed.

India's Opec oil imports at record low as Russian flows surge

The share of Organization of Petroleum Exporting Countries (Opec) oil in India's imports fell to a record low in the previous financial year (FY25) as refiners continued to gorge on cheaper oil from Russia, the top oil supplier to New Delhi for the third straight year, data obtained from trade and industry sources showed.

India, the world's third biggest oil importer and consumer, has been tapping Russian oil sold at a discount after Western nations imposed sanctions on Moscow over the Ukraine war. The country imported an average of 4.88 million barrels per day (bpd) of oil in FY25, a growth of 5 per cent over the previous year.

Import of Russian oil rose 7.3 per cent to 1.76 million bpd, raising its share marginally to 36 per cent while Opec's share slipped slightly to 48.5 per cent.

Altered trade flows due to geopolitical tensions and costlier shipments from some traditional suppliers have pushed India to diversify sources of crude and tap cheaper supplies from even far-flung areas such as Russia. REUTERS

Million gig workers registered on e-shram: Mandaviya

Nearly a million gig workers have been registered on the e-Shram portal so far, Union labour minister Mansukh Mandaviya told reporters on Tuesday. "The registration of gig workers is an ongoing process, and we're working in line with the Budget announcement. We are likely to register 3-4 million in the next three months," the minister said. Earlier in February, Finance Minister Nirmala Sitharaman, in her Budget speech, had said that the Centre will provide identity cards to gig workers and register them on the e-Shram portal. "They will also be provided healthcare under the PM Jan Arogya Yojana (PM-JAY). This is likely to assist nearly 10 million gig workers," Sitharaman had said.

ONOE draft norms violate will of the people: Singhvi

Noted lawyer and Congress MP Abhishek Singhvi told a parliamentary committee that the draft laws proposing simultaneous elections violate the "will of the people" and principles of federalism, even as several other jurists cited their positive impact while suggesting certain changes. Former Supreme Court judge Hemant Gupta spoke against the curtailment of assemblies, which have not completed at least three years of tenure, to synchronise their elections with that of the Lok Sabha, sources said. He instead suggested that their tenures should be extended. Singhvi, however, made a detailed presentation on legal points supporting his party's strident opposition to the concept of one nation one election (ONOE). PTI

Parliament supreme, says V-P; Constitution is, retorts Sibal

Vice-President Jagdeep Dhankhar (pictured) on Tuesday hit out at his critics for questioning his remarks on a recent Supreme Court order, asserting that every word spoken by a constitutional functionary is guided by supreme national interest. Asserting that Parliament is supreme, Dhankhar said: "There is no visualisation in the Constitution of any

authority above Parliament. Parliament is supreme... Let me tell you, it is as supreme as every individual in the country." He also underscored that there should be "no doubt" that the Constitution is for the people and its repository of safeguarding is that of the elected representatives. Neither Parliament nor the executive but the Constitution is supreme, Opposition leaders said as they hit back at Vice-President Jagdeep Dhankhar who slammed his

critics for questioning his remarks on a recent Supreme Court order and proclaimed the supremacy of Parliament. In a post on X, Rajya Sabha MP Kapil Sibal said, "The law: Neither Parliament nor the Executive is supreme, the Constitution is supreme. The provisions of the Constitution are interpreted by the Supreme Court. That's how this country has understood the law so far." Everything the court said is consistent with our constitutional values; guided by national interest," he said. PTI

बजरंग सेतु के डेक जोड़ने का काम पूरा, दोनों ओर बनेंगे कांच के फुटपाथ, जल्द शुरू होगी अवाजाही

अधिकेश बहुप्रतीक्षित बजरंग सेतु का निर्माण कार्य लगभग अंतिम चरण में है। पुल के डेक को जोड़ने का कार्य का कार्य पूर्ण हो चुका है। विभाग का कहना है कि अब ग्लास पाथ और रेलिंग का कार्य शुरू कर दिया जाएगा।

132.30 मीटर स्पान के बजरंग पुल को करीब 68.86 करोड़ की लागत से तैयार किया जा रहा है। लोक निर्माण विभाग नरेंद्रनगर ने वर्ष 2022 में पुल का निर्माण कार्य शुरू किया था। वर्ष 2024 तक पुल निर्माण कार्य पूर्ण होने का लक्ष्य रखा गया था। लेकिन निर्माण की धीमी गति के चलते यह कार्य अभी तक पूर्ण नहीं हो पाया है। बीते कुछ दिन पूर्व पौड़ी डीएम आशीष चौहान ने पुल निर्माण कार्य का निरीक्षण कर जल्द इसे पूर्ण करने के निर्देश दिए

थे। लॉनिवि अधिकारियों का कहना है कि पुल के डेक को जोड़ने का कार्य पूर्ण कर लिया गया है। अब ग्लास पाथ और रेलिंग का कार्य शुरू किया जा रहा है। जल्द सभी कार्य पूर्ण कर पुल पर अवाजाही शुरू कर दी जाएगी। बजरंग सेतु अधिकेश क्षेत्र का एक नायाब पुल होगा। इसकी सुंदरता बढ़ाने के लिए पुल के दोनों ओर कांच के फुटपाथ होंगे। दोनों किनारों पर डेढ़-डेढ़ मीटर चौड़े फुटपाथ 65 एमएम नाटे कांच से बनाए जाएंगे। वहीं पुल के टावर पर केदारनाथ धाम की आकृति होगी। कांच की फुटपाथ वाला यह उत्तर भारत का पहला पुल होगा। पुल पर हल्के चोपड़िया वाहन भी चलेंगे।
