मुआवजा पाने पीएम को भेजे 6000 पोस्टकार्ड

भोपाल. गैस पीड़ितों ने पांच लाख रुपए मुआवजे की मांग प्रधानमंत्री से की है। इसके लिए 17 दिन में 6000 से ज्यादा पोस्टकार्ड भेजे जा चुके हैं। इसके लिए शहर की अलग-अलग बस्तियों में मुहिम चलाई जा रही है। गुरुवार को 400 पोस्टकार्ड भेजे गए। ज्ञात हो कि करीब चालीस साल पहले गैस हादसा हुआ। इसमें लाखों लोग प्रभावित हुए। इनमें से 90 प्रतिशत को आंशिक प्रभावित मानते हुए 25-25 हजार मुआवजा बांटा गया। गैस पीड़ित संगठनों के मुताबिक अधिकांश लोग गंभीर बीमारियों से पीड़ित हैं। इन्हें जो

Ticket denials spark Haryana BJP revolts

Haryana CM Saini with his party members on Thursday

New Delhi: Rebellion by leaders who have been denied tickets and unprecedented public criticism of the leadership have added to the tough challenge BJP was already facing in Haryana because of a decade of incumbency.

The washing of dirty organisational linen in public follows the dip in the party's fortunes since the 2019 elections when it swept the 10 Lok Sabha seats despite having been in office for five years in a state which was never its stronghold. Factors which helped the party in 2019, mainly PM Modi's personal popularity, failed to stop BJP from losing majority and it was forced to take the support of Dushyant Chautala's JPP to form the govt. Signs of fatigue were visible in the LS polls when the party could win only five seats. If this was not worrisome enough, the outbreak of dissidence has aggravated matters. Soon after BJP announced its second list of 21 candidates, several prominent leaders quit the party which included former deputy speaker Santosh Yadav, state BJP spokesperson Satyavrat Shastri and state executive committee member Shiv Kumar Mehta. In its second list, the party dropped five-time MLA from Mahendragarh Ramvilas Sharma, who will now contest as a rebel candidate. Union minister and Gurgaon MP Rao Inderjit Singh, who has been vocal against the state leadership even as his daughter Arti Singh Rao has been fielded from Ateli, came out in Sharma's support.

BATTLEGROUND HARYANA

Bhiwani-Mahendragarh MP Dharambir Singh was present with Rao when he addressed a gathering in Mahendragarh with Sharma. BJP has dropped around one-third of MLAs and some state leaders have claimed that CM Nayab Saini had a "limited role" in selection of candidate.

Rajnath: Civil-military tie-ups behind reverse migration to borders

Times News Network

Govt and the armed forces are fully committed to development of regions along the frontiers, Rajnath said

New Delhi: Civil-military collaboration in border areas is leading to 'reverse migration', defence minister Rajnath Singh said on Wednesday, stressing that the govt and the armed forces are fully committed to development of regions along the frontiers.

Ongoing efforts to build roads, bridges and tunnels in 'sensitive' forward locations are not only imperative for national security and ensure swifter military deployments, but have also connected the people residing there with the rest of the country while ensuring their socio-economic progress and promoting tourism, Singh said.

"Border villages are the country's first villages, not remote areas. The govt is fully committed to their holistic development," he said, speaking at an inter-ministerial border area development conclave. It was attended by culture and tourism minister Gajendra Singh Shekhawat, Arunachal Pradesh CM Pema Khandu and Army chief General Upendra Dwivedi, among others.

"Our objective is to transform the villages along the northern borders (with China), especially in Uttarakhand, Himachal and Arunachal, which are suffering from limited connectivity and infrastructure, into 'model villages'. We aim to connect them to the mainstream of development," Singh said. Over the last 10 years, the Border Roads Organisation (BRO) has constructed over 8,500 kms of roads, 400 permanent bridges and several major tunnels like the Atal and Sela ones. The govt has also started the 220-KV Srinagar-Leh electricity line to connect the border areas of Ladakh with the national electricity grid. "High-speed internet has been provided to over 1,500 villages through the Bharat-Net broadband project. In the last four years alone, more than 7,000 border villages have been connected with internet, and our focus has been Ladakh and Arunachal," Singh said.

IAF seeks increased Tejas production amid engine supply delay

Grappling with just 30 fighter squadrons when at least 42 are needed to tackle China and Pakistan, the Air Force has called for majorly ramping-up the production rate of indigenous Tejas fighter jets, even using the public-private partnership route, reports **Rajat Pandit**.

The good news is that US company General Electric is now likely to begin from Nov onwards the much-delayed supply of GE-F404 turbofan jet engines, which power Tejas Mark-1A fighters, after defence minister Rajnath Singh flagged the matter during his visit to Washington last month.

IAF wants to induct around 300 Tejas fighters over the next 15 years, which will require defence PSU Hindustan Aeronautics (HAL) to step-up its production rate in a major way.
