OUTLINES TRANSITION FROM MGNREGA

Govt notifies draft rules for VB-G RAM G rollout

PRESS TRUST OF INDIA
New Delhi, May 23

THE CENTRE ON Saturday notified draft rules under the Viksit Bharat — Guarantee for Rozgar and Aajeevika Mission (Gramin) Act, 2025 (VB-G RAM G), laying down the institutional and administrative framework for rollout of the new rural employment programme that will replace MGNREGA from July 1, while inviting public feedback before finalisation.

Framed under Section 33 and other relevant provisions of the Act, the draft rules have been placed in the public domain to facilitate wider consultation with states, institutions, experts, worker groups, civil society organisations and the public, officials said.

The proposed rules cover transitional provisions, the

UPDATING NORMS

■ VB-G RAM G is coming into force across states and UTs from July 1

■ Rules provide for continuation of ongoing works, settlement of liabilities, transfer of records and continuation of worker rights

■ Existing MGNREGA job cards will remain temporarily valid until new cards are issued

■ The new law raises the annual employment guarantee from 100 to 125 days

National Level Steering Committee, the Central Gramin Rozgar Guarantee Council, administrative expenses, grievance redressal, payment of wages and unemployment allowance, and

expenditure incurred beyond normative allocations, including for Union territories without legislatures.

Officials in the Ministry of Rural Development said the rules are aimed at establishing

the institutional, financial and governance framework for implementation of the Act across the country and ensuring participatory consultation before the rules are finalised.

The draft Transitional Provisions Rules spell out the framework for shifting from MGNREGA to VB-G RAM G, which was notified on May 11 and is scheduled to come into force across states and UTs from July 1.

The rules provide for continuation of ongoing works, settlement of liabilities, transfer of records and continuation of worker rights during the transition period. Existing e-KYC-verified MGNREGA job cards will remain temporarily valid until new Gramin Rozgar Guarantee Cards are issued, while fresh works may also be opened if ongoing projects are insufficient to meet labour demand.

UP to get ₹5K-cr boost for new solar projects

FE BUREAU
New Delhi, May 23

UTTAR PRADESH HAS lined up investments worth ₹5,000 crore of fresh solar manufacturing projects set to add 7 GW of capacity in the Yamuna Expressway Industrial Development Authority (YEIDA) region, reinforcing the state's growing role in India's clean energy and industrial manufacturing push.

The fresh investment pipeline comes amid rapid renewable energy expansion, rising electricity demand, and

an increasing focus on domestic solar manufacturing and electronics supply chains.

Chief Minister Yogi Adityanath handed over allotment letters to 17 companies for projects spanning solar manu-

facturing, electrical equipment, electronics, smart infrastructure and information technology.

A major share of the investments has been concentrated in YEIDA region, which is fast emerging as a key manufacturing corridor for green energy and electronics projects.

The largest investment came from CESC Green Power, part of the RP-Sanjiv Goenka Group, which will invest ₹3,805 crore to establish a 3 GW solar cell and module manufacturing unit across 100 acres. Integrated Batteries will invest another ₹1,146

crore to set up a 4 GW solar photovoltaic cell manufacturing unit on 25 acres.

Together, the projects will create 7 GW of solar manufacturing capacity in the YEIDA region, significantly strengthening Uttar Pradesh's position in India's rapidly expanding renewable energy manufacturing ecosystem.

Apart from solar manufacturing, major investments were also announced in electrical equipment, EV-linked infrastructure and smart energy systems.
