## BJP steps up campaign in Teliamura ahead of ADC Polls

**Times News**  
**Agartala March 30:** With the upcoming TTAADC elections drawing closer, the Bharatiya Janata Party has intensified its campaign efforts. On Monday, a large-scale door-to-door outreach programme was organized by the 29 Krishnapur Mandal in support of party candidate Billu Jamatia from the Maharani-Teliamura constituency. The campaign took place at Raihancha cluster village, located at the foothills of Atharamura in the 29 Krishnapur Assembly segment.

Billu Jamatia himself joined the programme along with party leaders, workers, and supporters. They visited households across the village, directly engaging with voters, sharing the message of development, and seeking blessings from the community to ensure victory in the upcoming polls. Speaking about the campaign, Jamatia expressed optimism over the public response. "We are receiving extremely positive feedback from people. Door-to-door

campaigning allows us to listen to the problems of ordinary citizens directly," he said. He further asserted that based on this growing support, he is "hundred percent confident" of winning the election. As the election date approaches, the intensity of BJP's grassroots outreach in rural areas continues to rise. Political observers believe that this strategy of direct voter engagement could play a decisive role in shaping the final outcome of the polls.

## Industry hails Centre's push on design, quality as ECMS gains pace

**New Delhi, March 30 (IANS)** Industry leaders on Monday welcomed the government's strong push on design capability and quality standards under the Electronics Component Manufacturing Scheme (ECMS), calling it critical for scaling India's electronics ambitions. Industry participants at an event hosted by the India Cellular and Electronics Association (ICEA) to mark the fourth tranche of ECMS approvals said that the ECMS scheme reflects India's shift from policy intent to on-ground execution. ICEA Chairman Pankaj Mohindroo said the enhanced outlay under ECMS shows the government's commitment to building a robust electronics ecosystem.

He added that reopening the scheme in a calibrated manner would help deepen component manufacturing and boost domestic value addition. "A calibrated reopening of the scheme will be important to further build critical component capabilities and deepen domestic value addition," Mohindroo stated. "The next phase of growth must focus on scaling up design capabilities, strengthening local sourcing, and achieving global quality standards," he added. He stressed that original equipment manufacturers and system companies should actively adopt "Designed and Made-in-India" components, as demand creation is as important as supply. Industry leaders also highlighted that India has emerged as a credible and investible destination for electronics system design and manufacturing. "The ECMS is helping bridge critical gaps in the

value chain by enabling component-level manufacturing, which is essential for capturing higher value and building resilience," Ashok Chandak, President, IESA said. "These investments are expected to generate over 14,000 jobs and drive production worth Rs 84,515cr highlighting the strong momentum being created under the scheme," he mentioned. So far, 75 applications across 23 product categories from 12 states have been approved, covering areas such as lithium-ion cells, flexible PCBs, connectors, and display modules.

## Trump warns Iran on Hormuz, power grid

**Washington, March 30 (IANS)** US President Donald Trump on Monday warned that the United States could strike Iran's key energy infrastructure if a deal is not reached soon and the Strait of Hormuz is not reopened, even as he said talks were making progress. Trump said the United States is in "serious discussions" with what he described as a "new, and more reasonable, regime" in Iran to end ongoing military operations. "Great progress has been made," he said, adding that a deal would "probably" be reached shortly. However, he issued a strong warning if negotiations fail. "If for any reason a deal is not shortly reached... and if the Hormuz Strait is not immediately 'Open for Business,' we will... completely obliterating all of their Electric Generating Plants, Oil Wells and Kharg Island," Trump said. He added that "possibly all

desalination plants" could also be targeted. Trump said these facilities had not been purposefully touched and described the potential action as retribution for our many soldiers, and others, that Iran has butchered and killed over the old Regime's 47-year Reign of Terror. The remarks signal a sharp escalation in tone, directly tied to the status of negotiations and maritime access through the Strait of Hormuz. Separately, Marco Rubio warned Iran against any attempt to control the waterway or impose costs on shipping. "Iran is making threats about controlling the Strait of Hormuz and creating a tolling system. That's not going to be allowed to happen," Rubio said. He added that there was a near-term diplomatic pathway. "There is a way forward here to achieve our objectives in a matter of weeks, not months."

## Two arrested with Yaba tablets

**Times News**  
**Agartala March 30:** In a major crackdown on illegal narcotics, Bodhjungnagar police arrested two individuals late Sunday night after recovering a large consignment of Yaba tablets valued at approximately Rs 8 lakh. Officer-in-Charge Prashanta Dey of Bodhjungnagar Police Station confirmed that during naka checking at Satmukhiya, police intercepted an auto-rickshaw and discovered 8,000 Yaba tablets in possession of the accused. While the auto driver managed to escape, two men were apprehended — one hailing from Aralia and the other from the Sepahijala district.

## Bangladeshi National arrested for illegal entry in Agartala

**Times News**  
**Agartala March 30:** Security forces detained a Bangladeshi citizen on Monday morning after he allegedly crossed into India illegally near Joypur, close to Lankamura. The arrest was made by jawans of the 75th Battalion, who later handed the individual over to West Agartala Police Station. Officer-in-Charge Rana Chatterjee confirmed the arrest and identified the accused as Shoaib Miya. He stated that the man will be produced before the court on Tuesday, where police will seek remand to interrogate him

further. Investigators aim to uncover how he managed to enter Indian territory and whether he received assistance from others. The incident has raised concerns about border security and possible networks facilitating illegal crossings. Police have assured that a thorough probe will be conducted to establish the circumstances and motives behind the entry.

## Cattle theft bid foiled in Kailashahar

**Times News**  
**Kailashahar, Mar 30:** Two stolen cows were recovered after an Alto car met with an accident at Hamidpur village under Dhalyarkandi Gram Panchayat on Sunday night. According to locals, the incident took place around 2 am when the vehicle, allegedly used for cattle theft, lost control and fell off the road while attempting to flee. On hearing the sound, residents rushed to the spot and found the overturned Alto car with two

cows inside. However, the persons involved in the theft managed to flee the spot. Meanwhile, the cows were rescued safely and kept in the custody of the villagers. Villagers alleged that the same vehicle had been used in several previous cattle theft cases in the area. Later, police personnel from Irani police station reached the spot after the incident on the same night and seized the vehicle. Police have started a probe in this connection.

High Court of Tripura, Justice M S Ramachandra Rao, will be present on the occasion along with judges of the High Court — Justice Dr T Amarnath Goud, Justice S D Purkayastha and Justice Biswajit Palit. The conclave will take place at the auditorium of the Tripura Judicial Academy in Narsingarh, on the outskirts of Agartala. Officials said the annual judicial conclave serves as an important platform for deliberations on key legal issues and for strengthening of justice through knowledge sharing and institutional dialogue.

## Srinathpur GP distributes RO filters, sets example in Unakoti

**Times News**  
**Kailashahar, Mar 30:** Srinathpur Gram Panchayat has set a unique example in Unakoti district by distributing RO water filters to ensure access to safe drinking water. The filters were distributed during a programme held in the panchayat office premises on Monday. Small and large RO filters were provided free of cost to several Anganwadi centres, Srinathpur High School, Srinathpur Madrasa and Jogomaya Kali Temple under the panchayat area. Panchayat secretary Shahinul Islam said the filters were purchased from panchayat funds. A total of 12 large filters, costing around Rs 1 lakh each and

12 small filters, costing around Rs 3 thousand each were distributed. Pradhan Tuakul Ali said the panchayat has undertaken several development works over the past three months, including construction of 14 brick soling roads and renovation of temples and Anganwadi centres. He added that more such initiatives are planned in the coming days. The Panchayat Pradhan Tuakul Ali, Upa-Pradhan Arman Ali, secretary Shahinul Islam, members Subhash Debnath, Arjan Ali, Motachir Ali, Kamal Uddin, Bijoya Deb, Masud Ali and others were present during the distribution programme.

## Teacher booked for question paper leak ahead of exam in Udaipur

**Times News**  
**Udaipur, Mar 30:** A school teacher in Gomati district has been accused of leaking examination question papers to students ahead of schedule. The complaint was lodged at Kakraban police station against Manzil Hossain, a teacher of Killa Ratuachhara SB School, for allegedly circulating question papers through WhatsApp prior to the commencement of examinations. According to the complaint and local sources, the accused allegedly shared the Class IX Bengali examination paper with students well before the scheduled start time on February 23, 2026. The examination was slated to begin at 1 pm, but the question paper reportedly reached students at around 11:32 am, nearly one and a half hours in advance. Hossain, a resident of Hosiati area under Kakraban police station, is said to run private tuition

classes from his residence. It has been alleged that he leaked question papers to ensure better performance of his tuition students. Sources claimed that the accused was eventually caught in the act, following which the matter came to light and was reported to the concerned authorities. Gomati district education department has initiated an inquiry into the allegations. Deputy Director of Education Subir Majumdar said that a thorough investigation is underway. "Appropriate action will be taken against the accused teacher based on the findings of the investigation," Majumdar told reporters. Police officials said necessary legal steps would be taken as per the outcome of the probe.

## Tripura Judicial Academy to host 12th Annual Judicial Conclave on April 4

**Times News**  
**Agartala, Mar 30:** The Tripura Judicial Academy will organise the 12th Annual Judicial Conclave on April 4 at its auditorium in Narsingarh. The event, scheduled for Saturday, will be held under the aegis of the High Court of Tripura and is expected to witness the participation of prominent members of the judiciary. Justice Sarasa Venkatanarayana Bhatti, judge of the Supreme Court of India, will attend the conclave as the chief guest, according to the official invitation. Chief Justice of the

conclave will take place at the auditorium of the Tripura Judicial Academy in Narsingarh, on the outskirts of Agartala. Officials said the annual judicial conclave serves as an important platform for deliberations on key legal issues and for strengthening of justice through knowledge sharing and institutional dialogue.

## Vote for BJP, ensure development in TTAADC, says Sushanta

**Times News**  
**Agartala, Mar 30:** Tourism Minister Sushanta Chowdhury on Monday said that installation of a BJP-led council in the Tripura Tribal Areas Autonomous District Council (TTAADC) was necessary for ensuring development in the sixth schedule areas. Addressing an election meeting at North Jaynagar under the Mandai-Pulinpur ADC constituency, Chowdhury said, "We don't treat TTAADC as an isolated institution. For us development should be equitable everywhere. If BJP comes into power in the TTAADC, development will be equitable everywhere. And, the coordination between state and centre will be fine-tuned." He said the TTAADC was constituted under the Sixth Schedule of the Constitution but development in the areas under its jurisdiction had remained stunted due to various constraints. Chowdhury alleged that earlier regimes, including the CPI(M), had failed to address the concerns of tribal communities. He also referred to the presence of several regional parties over

the years, including TUJS, INPT and IPFT, and said that despite changes in leadership, expected development outcomes had not been achieved. The minister said that a national party with governments at both the Centre and in the state would be better positioned to facilitate development in the ADC areas. He added that key sectors such as social security, healthcare, education, roads, drinking water and electricity required coordinated efforts and funding support. Chowdhury said the BJP government did not discriminate between tribal and non-tribal populations and worked for inclusive development. He also stated that certain development initiatives could not be implemented fully without the cooperation of the ADC administration, as funds and execution often required coordination between the council and the state government. The minister was campaigning for BJP candidate Rajesh Debbarma in the constituency ahead of the TTAADC elections.

## Concerns rise over mid-day meal quality in Gomati district

**Times News**  
**Udaipur, Mar 30:** Concerns have surfaced over the quality of mid-day meals being served in several schools across Gomati district. It was learned that in a good number of schools, expired spices are allegedly being used in meal preparation. It is further alleged that mid-day meal organisers remove spices from original packets and store them in plastic containers, which makes it difficult to verify expiry dates. Parents from Udaipur, Amarpur and Karbook subdivisions have also raised concerns over the declining quality of food. They alleged that irregular monitoring and lack of inspections have allowed some organisers to compromise on the standard of meals served to students. Allegations have also been made about the use of unpurified drinking water for cooking in certain schools. Parents have urged the state education department to conduct a thorough investigation and ensure proper monitoring of the mid-day meal scheme.
