MP plans bonus scheme to promote masur, urad

CM Invites Investors To Set Up Private Grain Mkts, Food Parks

Indore: Chief minister Mohan Yadav on Friday said that Madhya Pradesh govt was preparing a bonus scheme to promote production of masur and urad to strengthen pulses output and expand agriculture-based industries in the state.

Addressing inaugural session of three-day Green Expo on food processing and machinery organised by All India Diet Mill Association in Indore, Yadav said that the government has already removed tax on tur and was finalising measures to increase cultivation of urad and masur.

"Our govt is going to make plan to give bonus to increase production of lentils and urad in the country," he said.

Farmers and processing industries would receive support in modern machinery in infrastructure and industrial establishment to boost value addition, he added.

"Govt stands with you. Farmers should get the support for their produce. Similarly for developing food parks, the government is hel-

ping in every district and will give all facilities available in a government food park. The state is working on a new development model that brings together farmers, industry and traders," Yadav said, inviting investors to set up private grain markets and food parks.

Highlighting the state's agricultural strength, the chief minister said that Madhya Pradesh has emerged as food basket of the country, ranking

second nationally in foodgrain production and leading in crops such as wheat, gram, masoor, soybean and oilseeds. He said agriculture contributes about 36 per cent to the state's GDP, with sectoral growth exceeding 16 per cent, while dairy and pulses production were also being actively promoted. Yadav said that the go-

31-year-old arrested with cannabis in Old Palasia

Indore: Palasia police have arrested a 31-year-old man allegedly with cannabis during a patrol operation in Old Palasia. The accused was found carrying 882g of cannabis worth about Rs 10,000 and was also riding a motorcycle valued at around Rs 15 lakh; both were seized.

Sanyogitapani ACP Tushar Singh said that during search for suspicious elements in Palasia area, the police team spotted a man moving suspiciously in a lane behind the PWD Office in Old Palasia. He was chased and detained. On questioning, he identified himself as Vicky Borsal, a resident of Jhadi Gwalior. A search led to recovery of 882 g of ganja from his possession.

A case was registered against the accused under relevant sections of the NDPS Act and he was arrested for further legal action. During questioning, Vicky admitted to purchasing ganja from a dealer and selling it at higher prices to addicts in Badli Gwalior and nearby areas to earn illegal profit.

He also told police that the substance was supplied by a local dealer from the same locality and verification of that claim was underway.

MSME dept eyes inter-state borders to expand land bank

Move To Attract Fresh Manufacturing Investment

Indore: Madhya Pradesh's MSME department is set to expand its 2000 hectare industrial land bank to attract fresh manufacturing investment, with a focus on locations near inter-state borders, and large tracts of undeveloped land.

Officials said the strategy aims to speed up project start-ups, improve regional industrial balance, and unlock new growth corridors beyond established urban centres.

MSME commissioner Dilip Kumar said the department is identifying and developing land banks across multiple districts while ensuring the availability of land parcels of varying sizes to suit different industrial needs. "As per the requirement of industries, undeveloped land will be allotted, or it will be developed to match

BOOSTING REGIONAL MANUFACTURING

The plan aims to speed up project start-ups, improve regional industrial balance, and unlock new growth corridors beyond established urban centres.

Flexible Twin Approach: Some land parcels will be allotted in undeveloped form based on investor requirements, while selected sites will be developed into ready industrial clusters with basic infrastructure and utilities.

Companies from Delhi, Haryana and parts of Madhya Pradesh, including Gwalior and Shivpuri, have shown interest in setting up units.

Infrastructure upgrades, technology modernisation and improved common facilities are expected to strengthen regional manufacturing ecosystems and support MSME growth.

State officials said productivity to neighbouring markets, relatively lower land costs, and improving logistics connectivity could make emerging industrial belts in Madhya Pradesh attractive for MSMEs, logistics firms, agro-processing units and light manufacturers.

Policy-makers expect the expanded land bank to accelerate investment and create jobs, and drive decentralised industrialisation across districts.

2 held with MD drugs near MR-10 bridge

Indore: Two men were arrested with illegal narcotic substance MD by a team of crime branch near MR-10 bridge in front of ESST busstand.

The police seized 14.06 grams of MD, estimated to have an international market value of around Rs 1.4 lakh. The contraband was hidden under the seat of a two-wheeler. A motorcycle and two mobile phones were also seized, taking the total value of the recovered property to about Rs 2.5 lakh.

Additional DCP Rajesh Dandotiya said that crime

The police seized 14.06 grams of MD, estimated to have an international market value of around Rs 1.4 lakh. The contraband was hidden under the seat of a two-wheeler.

branch teams were conducting discreet intelligence gathering and surveillance to identify and act against those involved in the illegal trade of narcotic substances.

During routine checking and patrolling in different parts of the city, the team noticed two men standing by the

SCPA appeals Centre: Don't permit GM soyabean meal imports

Indore: The Soybean Processors Association of India (SCPA) urged Union government to restrict GM soyabean meal imports. SCPA chairman Davish Jain said, "Permitting import of a commodity that is sufficiently available domestically would be detrimental to millions of farmers and the broader agricultural value chain. The country is already facing the consequences of reliance on edible oil imports and allowing soyabean meal imports could lead to avoidable foreign exchange outflows running into billions of dollars, while worsening the trade deficit."

The association maintains that India's supply position for the 2025-26 marketing year remains comfortable, with adequate domestic availability to meet demand and an estimated carry-forward stock of around three lakh tonnes, indicating no physical shortage.

Habitual offender nabbed with illegal liquor in Banganga

Indore: A habitual offender was arrested with a large quantity of illegal liquor after receiving inputs during a neighbourhood committee meeting in Banganga area. The accused was caught with 64.4 bulk litre of country-made liquor during a raid conducted at his house in Bhawanji Nagar.

Based on the tip-off, police raided the house of Sandeep Akshay Arjun Thakur, also known as Arjun Pawar. During search, officers recovered 375 quarters of illegal country liquor. The accused failed to produce any valid licence or documents regarding possession of the stock.

Police registered a case under Section 34(3) of the Excise Act and arrested the accused. Officials said he has multiple criminal cases registered against him in the past and is known as a repeat offender.

During one such meeting held recently in Banganga residents flagged the suspected sale and storage of illegal liquor in Bhawanji Nagar. Acting on the information, DCP Zone-3 Rajesh Vyas instructed Banganga police to take immediate action. A team was formed and informers were recruited to verify the inputs.

KERALA CLIMATE RESILIENT AGRI VALUE CHAIN MODERNISATION PROJECT (KERA) SPECIFIC PROCUREMENT NOTICE - RETENDER

IEEE AP-S Student Chapter Opens At SSGITS

SSGITS inaugurated its IEEE Antennas and Propagation Student Chapter at Spandan Hall, marking a step towards stronger research engagement in electromagnetics. The ceremony was led by Prof. Shubhan Kishan Kaul of IIT Delhi. Kaul also delivered a technical talk on medical uses of electromagnetic waves. He discussed imaging systems, cancer care, biomedical sensors, wearable devices and therapy tools. The event was held under Prof. Neeshat Parulhi, with guidance from Prof. SK Jain and coordination by Prof. Reha Jain.

Prestige Becomes Self-Financed Deemed Varsity

Prestige Institute of Management Research was declared a self-financed deemed-to-be university, marking a notable development in the state's higher education sector. The announcement was made at a ceremony attended by cabinet minister Tushar Sawant, who said the status would widen access to globally competitive learning. Davish Jain was named the first chancellor, while Dipan Jain became director of the PG campus. The event also saw the launch of 'Learn On Air' and the Prestige Centre of Excellence to support research and industry links.

SDPH Fashion Designing Students Learn Bagh Print Craft At Dhur Village

Students of SDPH Fashion Designing College, Indore, visited Bagh in Dhur district to understand the traditional Bagh print craft. At artisan Muhammad Bilal Khan's workshop, they learned the full process of fabric preparation using natural materials, furnace treatment and washing in bagh river. He demonstrated block printing methods and explained each stage in detail. The students observed the washing and drying of fabrics by riverside and tried printing themselves. Bilal Khan answered their questions and noted that he guided many institutions earlier. He said Bagh print textiles are admired across India and abroad for their distinctive patterns.

DAVV Holds Discussion On Higher Education Bill

One-day discussion on the proposed Vishw Bharati Shiksha Adhishthan Bill 2025 was held at Devi Ahilya Vishwavidyalaya by EMRC and Vijaya Bharati Higher Education Institute. Sixty five participants from 40 institutions, including vice-chancellors, directors, principals and academicians, attended three sessions. Vice-chancellor Prof. Rakesh Singh joined as chief guest with N.L. Kori, Pankshit

Accountability, Innovation, and Outcome-based Governance

Singh Marhas of CEC New Delhi and Shashi Ranjan Akela among key speakers. The Bill proposes a unified higher education regulatory framework, replacing existing bodies, with a focus on autonomy, transparency, accountability, innovation, and outcome-based governance. Suggestions from participants will be compiled and sent to the Joint Parliamentary Committee and the education ministry.
