ROYAL STARS

BY GEORGIA NICOLS

- ARIES (MAR 21 - APR 20):** Today you might realise that your game face is different than what you thought it was. Or how you present yourself and relate to others is not who you really are. Tonight: Check your finances.
- TAURUS (APR 21 - MAY 21):** Your focus is on home and family, social occasions, fun times with kids and making money. These are your priorities right now. It's a bit unusual that you're giving thought to how much attention you should pay to your spiritual values. Tonight: Cooperate.
- GEMINI (MAY 22 - JUNE 21):** Something might happen today that makes you question a friendship or realise you have to be more realistic about friends and groups to which you belong. There's no point in kidding yourself. Tonight: Get organised.
- CANCER (JUNE 22 - JULY 23):** An important shift is taking place. Something might make you question your life direction or where you're headed. Basically, you have to ask yourself if it's realistic. After all, you're practical. It needs to be within reach. Tonight: Be friendly and protective.
- LEO (JULY 24 - AUG 23):** Whether it's travel plans or ideas about publishing a book or a screenplay, or perhaps something related to medicine or the law, today you might wonder if your goals are reasonable. Tonight: Relax.
- VIRGO (AUG 24 - SEP 23):** It's important to know what financial and practical support you can count on from a spouse, partner or a third party. We're talking the nuts and bolts of a situation, the real deal. Tonight: Share ideas.
- LIBRA (SEP 24 - OCT 23):** More than any other sign, you value partnerships because you're sociable and not really a loner. If you want to count on someone important who is in your life, make sure your assessments are real. Pie-in-the-sky fantasies rarely live up to the challenges of the day-to-day world. Tonight: Check your belongings.
- SCORPIO (OCT 24 - NOV 23):** You're looking successful to others this year, no question. This might cloud your judgement about how you feel about your job or your work. Be prepared to let go of familiar fantasies about what you do; see it for what it is. Tonight: You're strong.
- SAGITTARIUS (NOV 24 - DEC 22):** You are a future oriented sign who likes to believe in a better tomorrow. Today you might challenge your expectations about kids, sports, romance and socialising. You might even challenge your own creative talents. Tonight: Enjoy privacy.
- CAPRICORN (DEC 23 - JAN 20):** You have traditional values. Something might happen today that makes you question these values. You might wonder how realistic it is to subscribe to this viewpoint. Not everyone is the same. Tonight: Friendships.
- AQUARIUS (JAN 21 - FEB 19):** You're an idealist who wants to save the world before bedtime. You want to make the world a better place. You might see the limitations about what is possible. Nevertheless, your intention and direction can continue, can't it? Tonight: You're noticed.
- PISCES (FEB 20 - MAR 20):** Your ability to believe something affects how it manifests in your life. Today you might see that, especially with money and personal wealth. You might see that your ideals have been self-limiting. Tonight: Explore.
