4) The network of the Company as on 31st March, 2024 is negative Rs. 1,803.49 Lakhs. However, the Company has prepared its financial statements on going concern basis considering that it is operating under a long term contract with M/s Captain Steel India Ltd. for conversion of M.S Billets into M.S. TMT Bars. The Company has been generating positive cash operating margins and is expected to continue in the same manner. In additions, this shall further enhance the operating margins. The Company has already commenced the capital expansion work in this regard.

5) The Company had entered into a job contract agreement in 2017 with M/s Captain Steel India Ltd. for conversion of M.S. Billet into 'CAPTAIN' Brand TMT Bars and has been operating since then under the said agreement. However, during previous financial year FY 2022-23, owing to the prevalent market conditions and available margins, the company entered into sale & purchase transactions with Captain Steel India Ltd., wherein it was procuring the raw material independently from the market and selling TMT bars to Captain Steel India Ltd. at market rates. In the current financial year FY 2023-24, the Company again shifted to conversion arrangement, wherein raw material M.S. Billets is being supplied by Captain Steel India Ltd. for conversion into M.S. TMT Bars at a mutually agreed conversion rate.
