UP assembly reinstates NDA's lone Muslim MLA

Times News Network

Lucknow: The UP assembly Monday reinstated NDA's lone Muslim MLA in the state, **Abbas Ansari**, as Mau Sadar constituency's elected representative, 18 days after Allahabad high court overturned his conviction in a 2022 hate speech case.

Abbas, a member of Om Prakash Rajbhar's Suheldev Bharatiya Samaj Party (SBSP) and son of the late gangster-politician Mukhtar Ansari, was disqualified as an MLA in May after a special court in Mau sentenced him to two years' imprisonment under sections 153A (promoting enmity between groups), 189 (threat to public servant), 506 (criminal intimidation) and 171F (use of undue influence during polls) of the Indian Penal Code (IPC).

His poll agent, Mansoor Ansari, received a six-month jail term. Abbas's return takes SBSP's strength in the assembly back to six. Party chief Rajbhar is a minister in the Yogi Adityanath cabinet.

Vidhan Sabha principal secretary Pradeep Dubey issued the order restoring restoring Abbas's assembly membership. He was disqualified under Article 191 of the Constitution, read with Section 8 of the Representation of People's Act of 1951, following his conviction.

NIT-Dgp to host Puri Shankaracharya

Durgapur: NIT Durgapur has invited Puri Shankaracharya Swami Nischalananda Saraswati Maharaj to deliver a motivational speech Thursday and preside over a "darshan and diksha" event, reports **Mohammad Asif**.

NIT director Arvind Choubey said, "NEP 2020 has a section on Indian knowledge systems. As part of that, this motivational speech aims to reinvigorate among students our ancient culture and beliefs."

Asked why a secular institution was hosting a religious head, he clarified, "It has nothing to do with religion. We would like all students to hear him out."

Survey captures first photo of Pallas's cat in Arunachal

Vishwa.Mohan @timesofindia.com

New Delhi: A wildlife survey in Arunachal Pradesh has provided the first photographic evidence of the elusive Pallas's cat in the state, reaffirming the eastern Himalayas' status as a global biodiversity hotspot.

The WWF-India survey, conducted with state forest department, also recorded snow leopard, common leopard, clouded leopard and marbled cat above 4,200 metres, underlining the region's unique wild cat diversity.

"The discovery of Pallas's cat in Arunachal at nearly 5,000 metres is a powerful reminder of how little we still know about life in the high Himalayas," said Rishi Kumar Sharma, head-science and conservation, Himalayas programme, WWF-India.

Pallas's cat is one of the most elusive and rarely photographed wild cats

Pallas's cat, among the most elusive and least studied wild cats, has now been documented in Arunachal, extending its known eastern Himalayan range beyond Sikkim & Bhutan.

Labourer grabs limelight with Spiti marathon

The story of Rohit Kumar (in orange vest) could have been different. After studying medicine in Rus8sia for two years, money ran out and his parents called him back in 2017. Struggling, he began working at construction sites

Kalyan.Das@timesofindia.com

Dehradun: At a construction site in Delhi, Rohit Kumar can sometimes be spotted running with bricks on his back. A resident of Bihar's Khagaria, he may look like another labourer battling at a work site. But Kumar is also a marathon runner.

The 32-year-old has secured podium finishes in at least seven marathons, including Lucknow, Dehradun and Prayagraj. His latest feat — finishing second in a gruelling high-altitude marathon in Spiti in Aug — even took the Indian Army by surprise.

Commending his effort, Army's Uttar Bharat posted on X: "At just 32, Rohit Kumar, a daily wage labourer from Delhi, doesn't chase records or sponsorships. He runs to survive, fuelled by necessity, not luxury... No coach, no fancy gear. Just raw resolve."

Kumar said he has run in over 100 marathons, averaging five a month. "Now I am focusing on quality runs. That is why I participated in the high-altitude Spiti marathon organised by the Army, where I finished second in the 77 km Kunzum La-Kaza Ultra under the Surya Spiti Challenge," he told **TOI**.

His timing in the male open category was 7:48:52, close to winner Nikhil Singh's 7:42:44. Impressed, the Army has offered him support for future runs. "I have been invited to another high-altitude marathon in Tawang, Arunachal Pradesh. They assured me of covering my travel, food and lodging. Hopefully, I will get another

podium finish," he added.

Kumar's story could have been different. After enrolling in a medical course in Russia, he spent two years there before money ran out & his farmer-parents called him back in 2017. Struggling to find jobs back home, he took work at construction sites.

In 2020, stuck indoors during Covid, he began watching videos of global marathons in New York, London and Tokyo. Inspired, he started training, squeezing time between hard labour shifts. His day begins at 4.30am with running, followed by construction work from 8 am to 5 pm, where carrying loads up floors doubles as endurance training. In the evening, he swims for an hour before cooking dinner and resting.

Kumar now dreams of representing India in the Triathlon at the 2028 LA Olympics. "I spend Rs 20,000 a month on diet and equipment from my Rs 30,000 earnings to realise this dream," he said.
