Notes:

1. The claims have been admitted based on documents/clarifications submitted by creditors to substantiate their claims and may be revised in case any additional information become available.
2. The necessary justifications/explanations have been requested from the creditors for claims under verification and these maybe admitted on receiving sufficient proof in support of such claims.
3. The claims denominated in foreign currency have been valued in Indian Currency at the reference rate that was published by RBI on the date of commencement of CIRP i.e. October 22, 2019.
4. A contingent claim is a potential liability that may occur depending on the outcome of an uncertain future event or pending proceedings and lawsuits, and has been recorded based on the best estimate of the amount of the claim based on the information available.
