- All claims have been provisionally admitted on the basis of submitted proof of claim and limited information available as per books of the corporate debtor due to non-co-operation of the ERP service provider. The CoC may undergo change subject to the verification and collation of claims which is continuing.
- As per Regulation 14 of IBC 2016, where the amount claimed by a creditor is not precise due to any contingency or other reason, the interim resolution professional or the resolution professional, as the case may be, shall make the best estimate of the amount of the claim based on the information available with him. The interim resolution professional or the resolution professional, as the case may be, shall revise the amounts of claims admitted, including the estimates of claims made under sub regulation (1), as soon as may be practicable, when he comes across additional information warranting such revision.
- The voting share of creditors in this class has been calculated in proportion to the admitted financial debt which includes notional interest at the rate of eight per cent per annum in accordance with Regulation 16A(7) of CIRP Regulations. However, amount admitted has been restricted to amount claimed as of now.
- The claims where admitted are subject to further revision/substantiation/modification on the basis of any additional information / evidence / clarification which may be received subsequently and which warrant such revision/substantiation/modification.
- Information / evidence / clarification may also be pending from Operational Creditor/Management/Employees for the claims under further verification.

1. All claims have been provisionally admitted on the basis of submitted proof of claim and limited information available as per books of the corporate debtor due to non-co-operation of the ERP service provider. The CoC may undergo change subject to the verification and collation of claims which is continuing.
2. As per Regulation 14 of IBC 2016, where the amount claimed by a creditor is not precise due to any contingency or other reason, the interim resolution professional or the resolution professional, as the case may be, shall make the best estimate of the amount of the claim based on the information available with him. The interim resolution professional or the resolution professional, as the case may be, shall revise the amounts of claims admitted, including the estimates of claims made under sub regulation (1), as soon as may be practicable, when he comes across additional information warranting such revision.
3. The claims where admitted are subject to further revision/substantiation/modification on the basis of any additional information / evidence / clarification which may be received subsequently and which warrant such revision/substantiation/modification.
4. Information / evidence / clarification may also be pending from Operational Creditor/Management/Employees for the claims under further verification.
