- All claims have been provisionally admitted on the basis of submitted proof of claim and limited information available as per books of the corporate debtor. The CoC may undergo change subject to the verification and collation of claims which is continuing.
- As per Regulation 14 of IBC 2016, where the amount claimed by a creditor is not precise due to any contingency or other reason, the interim resolution professional or the resolution professional, as the case may be, shall make the best estimate of the amount of the claim based on the information available with him. The interim resolution professional or the resolution professional, as the case may be, shall revise the amounts of claims admitted, including the estimates of claims made under sub regulation (1), as soon as may be practicable, when he comes across additional information warranting such revision
- The claims where admitted are subject to further revision/substantiation/modification on the basis of any additional information / evidence / clarification which may be received subsequently and which warrant such revision/substantiation/modification.
- Under the provisions of 16A(7), The voting share of a creditor in a class shall be in proportion to the financial debt which includes an interest at the rate of eight per cent per annum unless a different rate has been agreed to between the parties. Thus, amounts have been admitted basis such interest provision however subject to limited information availability from the Corporate Debtor
- Information / evidence / clarification may also be pending from Operational Creditor/Management/Employees for the claims under further verification
- The Corporate Debtor has also entered into various settlement agreements involving allotment of its plots/units, which need detailed legal analysis.
- There have been orders from various forums where claimants have filed there complains, however, the Corporate Debtor doesn't have any ready Centralised data as to the compliance of such orders and payment thereunder. Thus, detailed exercise is needed in such cases to verify the actual amount payable as per records of the Company which also reconciles with amount
- Some claims are partly under verification due to lack of appropriate records and non-availability of adequate information to verify the claim

9. Amount Claimed includes the amount claimed by the customer and includes Principal, Interest, Penalty and any other claims which were quantified.

\*Principal includes the amount actually paid by the customers to Corporate Debtor and does not include any non-cash credits which may appear in the statement of accounts.

\*Interest - As per the regulation 16A(7) of the IBBI CIRP Regulations, the interest has been computed @8% per annum for home buyers unless a higher rate of interest has been agreed to between the parties

\*Certain Home Buyers have not filed appropriate claim forms or filled forms inadequately by keeping the claim amount blank or specified that they want their flats, Interest, Penalty, Refund etc. in the claim amount column. In such cases, we have looked at the attached supporting documents,

\*Various Home Buyers have filed multiple claims for same unit, in such cases there later claim has been considered and older claim has been marked Duplicate and not admitted.
