Note 2: Statutory claims admitted on contingent basis -These claims have been received from the Customs department towards import duty saved on EPCG license availed by the Corporate Debtor. On review of information available with the Corporate Debtor, the expiry date for fulfilment of export obligation under EPCG license no. 0930011170 and 0930011229 is 13 May 2023 and 12 Jun 2023, respectively. It is understood that the entire export obligation under the respective licenses is pending to be fulfilled. As such, these claims have currently been admitted on contingent basis as the liability has not crystallised and subsequently upon the date of expiry of the EPCG license or the date of distribution, whichever is earlier, the status of the claim would be re-assessed. Distribution will depend on the crystallisation of liability at that time.
