Note 1	The RP pursuant to his duty to collate the claims has conducted a preliminary verification of the documents sent by the home buyers to substantiate their claims and has provisionally admitted the claims upon satisfying himself with the veracity of documents shared and mapping the same with the records of the company, to the extent made available to the RP. The verification / rejection of the claims has been done on the basis of the proof / supporting documentation of said claims, as shared by the claimant, in accordance with the prescribed documents under the provisions of the Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulations, 2016 ("CIRP Regulations"), and corroborated from the records of the Corporate Debtor and books of accounts. The claim amount may undergo modification on account of further verification and receipt of additional documents and information by the RP.								
Note 2	The RP has computed claims in the manner stated below:								
	Category of Homebuyer	Interest rate used for computation				Period for computation			
	Real estate allottees where booking has been cancelled	9% p.a. as provided for in the agreement				From the date of receipt up to the ICD			
	Real estate allottees where booking is not cancelled	SBI MCLR Rate + 2% i.e., 9.7% as per MahaRERA Rules				From the original completion date as updated with RERA authorities up to ICD			
	Real estate allottees who have obtained a RERA order	Such rate as provided in the order				Such terms as provided in the order			
Note 3	In case of inadequate, inconsistent or no proof of claim being provided by a claimant (such as no / incomplete supporting documentation, no claim amount mentioned in the form / declaration, mismatch between overall claimed amount and claim components etc.), the RP team has reached out to claimants with appropriate clarifications. Certain claimants have either not provided relevant contact details or provided incorrect / incomplete contact details and endeavors are being made to reach out to such claimants for appropriate clarifications								
Note 4	The undersigned Applicant as the Resolution Professional upon taking handover from the erstwhile IRP received a list of claims aggregating 613 homebuyers (listed in ascending order in table above) out of which 601 were duly verified and admitted by him. The undersigned assumed the office of the Resolution Professional on February 17, 2023 and has collated the claims received as under (614-1013) up to May 19, 2023.								
Note 5	The RP on a combined verification of the supporting documents sent by the homebuyers vis-à-vis the records sent by the CD has taken cognizance of the inadvertent errors made by the former on account of interest not included as per MahaRERA rules, mentioned flat or interest instead of value, penalty etc., claimed which has been appropriately considered by the RP in his calculation as a result of which the admitted amounts may exceed the amounts originally claimed by the creditors.
