## Note:

1. As per Regulation 14 of IBC 2016-

Where the amount claimed by a creditor is not precise due to any contingency or other reason, the interim resolution professional or the resolution professional, as the case may be, shall make the best estimate of the amount of the claim based on the information available with him. The interim resolution professional or the resolution professional, as the case may be, shall revise the amounts of claims admitted, including the estimates of claims made under sub regulation (1), as soon as may be practicable, when he comes across additional information warranting such revision.

2. The last audited financial statements are available as at 31.03.2019 in which the creditors/claims were acknowledged by the Corporate Debtor. As confirmed by Director of the CD no further acknowledgment of debt has been done nor any action taken by the claimant and thus, prima facie the claim is barred by limitation. However, further documents and information to prove that the claim is not barred by limitation has been asked from the claimant.

3. The claims where admitted are subject to further revision/substantiation/modification on the basis of any additional information / evidence / clarification which may be received subsequently and which warrant such revision/substantiation/modification.

4. Information / evidence / clarification may also be pending from Operational Creditor/Management/Employees for the claims under further verification.
