- All claims have been provisionally admitted on the basis of submitted proof of claim and limited information available as per books of the corporate debtor. The CoC may undergo change subject to the verification and collation of claims which is continuing.
- As per Regulation 14 of IBC 2016, where the amount claimed by a creditor is not precise due to any contingency or other reason, the interim resolution professional or the resolution professional, as the case may be, shall make the best estimate of the amount
- The claims where admitted are subject to further revision/substantiation/modification on the basis of any additional information / evidence / clarification which may be received subsequently and which warrant such revision/substantiation/modification.
- Under the provisions of 16A(7), The voting share of a creditor in a class shall be in proportion to the financial debt which includes an interest at the rate of eight per cent per annum unless a different rate has been agreed to between the parties. Thus, amounts
- Information / evidence / clarification may also be pending from Operational Creditor/Management/Employees for the claims under further verification
- The Corporate Debtor has also entered into various settlement agreements involving allotment of its plots/units, which need detailed legal analysis.
- There have been orders from various forums where claimants have filed there complains, however, the Corporate Debtor doesn't have any ready Centralised data as to the compliance of such orders and payment thereunder. Thus, detailed exercise is needed in
- Some claims are partly under verification due to lack of appropriate records and non-availability of adequate information to verify the claim
- Amount as per RERA order; As per claimant there is an error of amount in the order, thus, the amount admitted shall be revised as and when there is a revised order issued by the RERA authority.
- Units which are shown as cancelled units are as per the records of the Corporate Debtor & in the absense of original files (unable to receive
