

## **Annexure 6- Other Operational Creditors**

- 1) Creditors up to Serial No. 42 have submitted their claims as of the Liquidation Commencement Date, i.e., 26th December 2024. For other creditors, claims submitted as of the ICD and duly collated by the erstwhile resolution professional have also been considered. The erstwhile resolution professional has submitted that no communication was sent to the operational creditors on admission/rejection of claims and reasons thereof, accordingly information available has been accounted for.
- 2) For ticket vendors, the performance linked bonus has been considered for admission as per the Corporate Debtor's records. Further, claims made to International Air Transport Association ("IATA") for refunds have not been admitted and these were also rejected as of the ICD. Interest not forming part of the purchase order/contract has also been rejected. Further, claims submitted by sub agents, which have already claimed by the main agent have also been rejected.
- 3) For Mumbai International Airport Limited ("MIAL") and Delhi International Airport Limited ("DIAL"), claim verification is based on agreements available with the Corporate Debtor and provided by the creditor along with the claim. The claims have been adjusted for areas handed over by the Corporate Debtor at different points in time based on information with Corporate Debtor's team including during CIRP and MC period. As the handover-takeover letters/ documents were not earlier executed, same are being executed/are in the process of being executed for the same. The amount admitted also factors the additional information submitted by the creditors and replies to any clarifications sought. The claim may undergo downward revision based on details of bank guarantees/deposits. Rates/charges etc are considered based on valid agreements only. GST amounts have not been admitted due to the absence of corresponding GST invoices raised by the creditors. Further, both MIAL and DIAL have filed IAs before the adjudicating authority on the issue of the total quantum of claim and also the classification of their claims as operational creditor claim instead of CIRP costs. The same is pending before Hon'ble NCLT.
- 4) Please refer to the detailed note and workings regarding the update on claims from the Dutch Administrator, in relation to the insolvency proceedings of the Corporate Debtor in the Netherlands and its treatment by erstwhile resolution professional and erstwhile committee of creditors during a period prior to Liquidation Commencement Date.
- 5) The interest component of claims has been admitted based on the rates mentioned in the agreements/purchase orders, if any, and from the due dates for payment as per the terms of the agreement until the Liquidation Commencement Date.
- 6) For all claims, in the absence of raising any GST invoices, proportionate GST amount and interest therein claimed if any has been rejected.
- 7) For claims submitted as of the ICD in foreign currency, the amount has been converted to INR based on the official exchange rate prevailing on the Liquidation Commencement Date, using either the reference rate published by the RBI (where available) or derived from such reference rates as per Regulation 26 of the Liquidation Regulations.
- 8) For claim submitted by of Mackstar, pursuant to the Hon'ble SC order dated 4th March 2025, read with the Hon'ble NCLAT orders dated 6th May 2022, and 30th May 2022 in I.A. No. 1467 of 2022, the amount of ₹ 6,94,20,596, representing dues for the CIRP period and classified as CIRP Costs have been paid to Mackstar. However, Mackstar has been pursuing proceedings before the Adjudicating Authority for balance dues.
- 9) The claim of CAE Simulation Technologies Pvt Ltd, has been admitted basis the agreements, the communications between CAE and the Corporate Debtor prior to ICD and after ICD and information shared by CAE with the Liquidator.
