GENERAL NOTES:

1. Claims from certain operational creditors have presently not been admitted due to lack of adequate information and / or supporting documentation and are still under verification. As per communication with each of the respective operational creditors, these amounts may be admitted at a later date subject to additional information being provided by the respective operational creditors.
2. Claims that are admitted may be subjected to further substantiation / modification depending on further developments and the basis of additional evidence, information or clarifications.
3. Claims submitted by creditors after issuance of the Request for Resolution Plan ("**RFRP**") dated 27.10.2025 were examined and categorised as acceptable or non-acceptable. The acceptable claims were placed before the Committee of Creditors ("**CoC**") for its recommendation for inclusion in the list of creditors in terms of Regulation 13(1C) of the Insolvency Resolution Process for Corporate Persons Regulations, 2016, subject to approval of the Hon'ble National Company Law Tribunal ("**NCLT**"). The Hon'ble NCLT, vide its **order dated 02.06.2026** passed in **IA No. 2098 of 2026**, has condoned the delay and approved the inclusion of such claims. Accordingly, the said claims have been updated and duly incorporated in the final list of creditors.

   Further, pursuant to the directions of the Hon'ble NCLT in the aforesaid **order dated 02.06.2026** in **IA No. 2098 of 2026**, claims earlier not admitted solely on account of non-submission of reasons for delay in filing have been reconsidered by the Resolution Professional, to the extent otherwise found admissible. Upon being placed before and concurred by the CoC in its 17th meeting held on 09.06.2026, such claims have been revised and admitted. Accordingly, the said claims have been updated and duly incorporated in the final list of creditors.
