Notes:

- The aforesaid claims have been admitted based on the review of documents submitted by the respective claimants and may undergo change after the verification of claims' process is completed
All the above unsecured financial creditors are related parties of Corporate debtor due to the following reason:

Gita power has been classified as a related party of BVPL on the basis of Gita Power being a holding company of BVPL. This can be seen from the audited financial statement of BVPL for financial year 2021-22, the transfer of beneficial ownership from Gita Power to Bee Electric Private Limited (Bee Electric) was carried out in 2017-2018, however, the same is pending approval from the Lenders of BVPL. A note is also provided in this regard stating that, "during 2017-18, as a part of strategic business arrangement, Bee Electric Private Limited ("Bee Electric") acquired beneficial interest of 5% ie., 39,71,520 equity shares at Rs.0.10 each in the company held by Gita Power & Infrastructure Pvt Ltd. (GPIPL). Bee Electric is a beneficial owner of the 5% equity interest pending approval of BVPL lenders for the sale." In view of the same, Bee Electric's ownership of 5% shareholding in BVPL has seemingly not culminated on account of the fact that the 51% shareholding of Gita Power was already pledged and encumbered in favour of Lenders. Thus, Gita Power continues to be a 51% shareholder of BVPL, thereby making it the holding company of BVPL and in turn, making BVPL a subsidiary company of Gita Power.

Further, by virtue of Section 5(24)(i) of the Insolvency and Bankruptcy Code, 2016 (IBC) any other subsidiary of Gita Power will also be considered to be a 'related party' of BVPL. We note that Gita Power holds 73.5% in Power Generation Private Limited (OPG), making OPG a subsidiary of Gita Power. In view of the same, OPG is classified as a related party of BVPL.

Gita Power, being a related party assigned its debt to M/s. Shoka Tradelink Private Limited (Shoka). Similarly, OPG, also being a related party, assigned its debts to M/s. Garg iron and Energy Private Limited (Garg) and M/s. Radha Industries Private Limited (Radha).

Thus, the assignees, i.e., Shoka, Radha and Garg, are also classified as 'related parties' of BVPL by virtue of being assigned a related party debt

The RP is entitled to re-assess/ re-verify the claims filed by the creditors of BVPL if the same is deemed necessary for the accurate determination of claims against BVPL.
