As liquidation value assessed by two valuers are much lower, it is sufficient to settle the claims of the creditors. We intend to make open e-auction wherein bidding is enabled to realize maximum possible value for the asset.) | Rs.4,23,17,923.50/- As the plant is not in operation for more than a year and there are lot of unutilised capacity in the market, there will be limited number of bidders for the plant and hence there is lesser chance of better realisation than the liquidation value.
