ORDER

This is a Petition under section 10 of the Insolvency and Bankruptcy Code, 2016 (the Code for short) seeking to initiate Corporate Insolvency Resolution Process (CIRP) for itself due to its default in payment of a financial debt.

2. The Petitioner Company (CIN: U15137AP2014PTC095221) incorporated on 04.09.2014 was established to carry on the business *inter alia* of manufacture, buy, sell, refine, prepare, grow, import, export and deal in food products and provisions of all kinds, both wholesale and retail. In order to give effect to the objects of the Company it availed a term loan of Rs. 4.15 crores and availed a cash credit facility of Rs. 3.25 crores from Bank of India, Tirupathi Branch, the Respondent. It defaulted in repayment of the credit facility as early as June, 2016. Having been unable to clear the debts and committed a default, it came up with the present Petition seeking its own CIRP.
3. The Respondent bank in its counter submitted that the Petitioner has approached this authority to avoid action under the Securitisation and Reconstruction of Financial Assets and Enforcement of Securities Interest Act, 2002 (SARFAESI Act) and the recovery proceedings initiated in OA No. 673 of 2019 before the Debt Recovery Tribunal-II, Hyderabad. The Petitioner approached this authority with unclean hands. Thus, its prayer for initiation of CIRP cannot be granted.
4. Admittedly there is a default by the Petitioner (CD) in payment of a financial debt. It has enclosed along with the Petition a copy of the special resolution passed by the shareholders resolving to initiate CIRP. All the conditions mentioned in section 10 of the Code have been fulfilled. It is thus appropriate, that the Company Petition is admitted. Hence ordered.
