As per the books of the Corporate Debtor for the Financial Year 2022-2023, as made available to the Resolution Professional, the liability of the Corporate Debtor towards NOIDA is INR 79.34 Crores. However, if the amounts payable to NOIDA in terms of Sections 30, 53 of the IBC read with Regulation 38 of the CIRP Regulations are found to be more than the Noida Settlement Amount then the Resolution Applicant agrees and undertakes that it will pay such additional amounts to Noida without any recourse to or deduction in the amounts payable to the Secured Financial Creditors or any other stakeholder in terms of this Resolution Plan"*

### **3.7. ALLOTTEES - ABOVE 31ST FLOOR**

3.7.1. The Resolution Applicant notes that certain Allottees of the Corporate Debtor have allotment in their favour of units in towers O and B concerning floors above the 31st floor. The floors above 31 floor

are not being constructed as they were never contemplated in the construction plan. Towards just and fair treatment of such Allottees, the Resolution Applicant has proposed the following treatment:

3.7.2. Filed claims and whose claims have been admitted: The Resolution Applicant shall issue a notice to all such Allottees within 5 Business Days of NCLT Approval Date (or such extended time as the Monitoring Committee may deem fit) asking such Allottees to intimate the Corporate Debtor/Resolution Applicant within 30 days of the notice in the manner provided (along with documents which may be requisitioned) in the said notice opting to either (a) cancel their unit and seek refund of the principal amount paid by them to the Corporate Debtor within 30 days from such intimation; OR (b) make request to provide alternative unit within the same price in the same building. In case any such Allottee does not respond to the said notice within the stipulated time period then their Allotment shall be deemed to have been cancelled and the Resolution Applicant shall refund the principal amount paid to the Corporate Debtor upon such request from the Allottee.

3.7.3. Allottees whose names are appearing in records of the Corporate Debtor/MIS however they have not filed claims: The Resolution Applicant shall issue a notice to all such Allottees within 5 Business Days of NCLT Approval Date (or such extended time as the Monitoring Committee may deem fit) to submit proof of their allotment along with proof of payment in the manner stipulated in the notice within 15 days of the date of the notice. Subject to verification of the documents, the Corporate Debtor will call upon the legitimate Allottees to opt to either (a) cancel their unit and seek refund of the principal amount paid by them to the Corporate Debtor within 30 days from such intimation; OR (b) make request to provide alternative unit within the same price in the same building. In case any such Allottee does not respond to the said notice within the time period stipulated then their Allotment shall be deemed to have been cancelled and the Resolution Applicant/Corporate Debtor shall refund the principal amount paid to the Corporate Debtor upon such request from the Allottee.

3.7.4. Allottees who have not filed claims and whose names are not appearing in the records of the Corporate Debtor/ MIS Data: Such

Allottees would be identified by following the process for Unidentified Allottees. Notwithstanding anything to the contrary contained in this Plan, subject to verification of the documents, the Corporate Debtor will call upon the legitimate Unidentified Allottees (qua units in towers O and B concerning floors above the 31<sup>st</sup> floor) to opt to either (a) cancel their unit and seek refund of the principal amount paid by them to the Corporate Debtor within 30 days from such intimation; OR (b) make request to provide alternative unit within the same price in the same building. In case any such Allottee does not respond to the said notice within the time period stipulated then their Allotment shall be deemed to have been cancelled and the Resolution Applicant/Corporate Debtor shall refund the principal amount paid to the Corporate Debtor upon such request from the Allottee.

3.7.5. The above treatment for Allottees-floors above 31 floor is subject to applicable provisions of Clause 3.8 (Other Provisions Applicable to All Allottees) of this Plan.

3.7.6. In case any Allottee elects to make request to provide alternative unit within the same price in the same building in terms of Clause 3.7.2, Clause 3.7.3 and Clause 3.7.4 then the Corporate Debtor shall endeavour to allot to such Allottees units in the same building. However, in case of non-availability of units in Tower O, the allottees may be allotted units in Tower B as the units in Tower B are of similar specifications to that of Tower O. The allotment of unit in terms of Clause 3.7.2, Clause 3.7.3 and Clause 3.7.4 shall be based on the priority of original date of allotment i.e. the Allottee who had originally booked the unit first shall be given priority at the time of offering such alternative unit in the same building in the first instance.

### **3.8. OTHER PROVISIONS APPLICABLE TO ALL ALLOTTEES**

3.8.1. Post occurrence of the NCLT Approval Date, the Resolution Applicant and/or the Corporate Debtor may require the Allottee(s) of the Corporate Debtor to enter into a fresh builder buyer agreement or execute an addendum/amendment to the existing builder buyer agreement to align the Builder Buyer Agreement with the terms stipulated under this Resolution Plan. In the event a fresh Builder Buyer Agreement or an amendment/addendum is not executed then on approval of the Resolution Plan, the existing Builder Buyer Agreement

shall be deemed to have been amended to give effect to the provisions of this Resolution Plan without the requirement of any further deed or action.

3.8.2. In every instance concerning the Allottees of the Corporate Debtor, the Resolution Applicant is entitled to authenticate the original records/documents to ascertain the legitimacy of the transaction and verify the identity of the actual Allottee. The Resolution Applicant, after scrutiny of the aforesaid documents, may require the allottee(s) to enter into a fresh builder buyer agreement or addendum / amendment to the existing builder buyer agreement in connection with the terms stipulated under this Resolution Plan.

3.8.3. With the passage of time since the projects were launched, there has been a significant rise in the costs of material inputs (such as steel, cement, and other building materials) and services (including labour, equipment hiring costs, and fuel). However, keeping in mind the hardship and agony undergone over the years by the Allottees,, the Resolution Applicant does not propose to charge and recover any price escalation from existing individual Allottees subject to them making payments of balance consideration within stipulated times as per demands that will be raised, which will be construction linked and as set out in Schedule 4 of this Plan (Allottee Repayment Schedule).

3.8.4. The Resolution Applicant/Corporate Debtor reserves the right to negotiate with the Allotees for making payments as per the Schedule 4 of this Plan (Allottee Repayment Schedule) only for the purpose of accelerating the construction. It is clarified that such negotiations can only result in an upward increase in the installments payable by the Allottee or reduction in time qua the installment payable.

3.8.5. It is explicitly made clear that Allottee(s), Corporates Debtor and Resolution Applicant are bound by the provisions of RERA, 2016 and rules/notifications/order/circulars issued thereunder unless modified or amended or waived by virtue of this Resolution Plan.

3.8.6. In the interest of all stakeholders of the Corporate Debtor., and towards ensuring that the units conform strictly to the standards set out in the Builder Buyer Agreement (BBA) executed with the concerned buyer, it is essential that all Allotees strictly adhere to the terms of the

Allottee Repayment Schedule set out in Schedule 4 of this Plan (Allottee Repayment Schedule), towards this end and notwithstanding anything to the contrary contained in this Resolution Plan, the Resolution Applicant/Corporate Debtor shall have the unequivocal right to cancel the allotment of any Allottee (including Unclaimed Allottees, Unidentified Allottees, Allottees above 31st Floor (if applicable), Legitimate Unidentified Allottees) who has committed a default in payment ("Defaulting Allottee") of any instalment required to be made in terms of the Allottee Repayment Schedule set out in Schedule 4 of this Plan (Allottee Repayment Schedule). Such right of cancellation shall be exercised by the Corporate Debtor or the Resolution Applicant in the following manner:

(a) The Corporate Debtor/RA prior to such cancellation, shall issue a notice/letter to the Defaulting Allottee demanding for the requisite payment to be made within 30 days from such notice ("Notice to Defaulting Allottee").

(b) In case of Allottees who do not make the requisite payment in terms of the Notice to Defaulting Allottee ("Continuing Default Allottee"). the Corporate Debtor/Resolution Applicant shall issue a further notice/letter to such Continuing Default Allottee ("Continuing Default Allottee Notice") demanding payment of the requisite amount within 30 days of the date of the Continuing Default Allottee Notice.

(c) The Continuing Default Allottee Notice shall stipulate that the requisite payments have to be made within the specified timelines alongwith an interest. The said interest shall mean the interest levied at the rate of State Bank of India's Highest Marginal Cost of Lending Rate plus (i) 2% per annum or (ii) such other rate of interest higher/lower than 2%, as may be prescribed under the RERA and rules made thereunder.

(d) If any Allottee fails to make the payment along with interest in the manner and within the timeline provided in the Continuing Default Allottee Notice then the Resolution Applicant/Corporate Debtor shall have the unequivocal right to cancel their allotment without any further notice. However, the Resolution Applicant undertakes that even after such cancellation of allotment, it shall refund the principal amount (if any) paid by such Continuing Default Allottee to the Corporate Debtor,

as an when the concerned unit of the Continuing Defaulting Allottee is sold. provided that the relevant Continuing Default Allottee approaches the Resolution Applicant/Corporate Debtor seeking such refund. Post cancellation of the units of the Continuing Default Allottee(s), the Resolution Applicant/Corporate Debtor shall be entitled to sell such units to any other party subject to adherence to the Minimum Selling Price.

3.8.7. The Resolution Applicant notes that there may be Allotees who have filed claims with the Resolution Professional for a higher amount, however, the records of the Corporate Debtor do not reflect all or part of the claimed amount ("Untallied Allottees"). The Resolution Applicant understands that such Untallied Allottees may have paid some monies to related parties of the Corporate Debtor. For the effective and feasible implementation of the Resolution Plan it is imperative that only money paid to the Corporate Debtor is considered as payment towards the units by the Allottees unless payment towards the units forming part of the Project was made to Supertech Limited prior to execution of the Business Transfer Agreement executed between Supertech and the Corporate Debtor on 20 December 2017 ("BTA"). The rationale for only considering the payment made to the Corporate Debtor (subject to the exception for pre-BT.A payment) is that post execution of the BTA all payments qua units of the Corporate Debtor had to be made to the Corporate Debtor only and any transfer/sale of units (post BTA) without receipt of corresponding amounts into the account of the Corporate Debtor does not constitute a valid transaction. Accordingly, the Untallied Allottees shall make payment in terms of the Allottee Repayment Schedule set out in Schedule 4 of this Plan (Allottee Repayment Schedule) irrespective of any prior payment having been made towards the unit to any Related Party of the Corporate Debtor except if such payment was made to Supertech Limited prior to the BTA. In case of failure by the Untallied Allottees in making payments as per the Schedule 4 of this Plan (Allottee Repayment Schedule), the cancellation mechanism set out in Clause 3.8.6 above shall apply to such Untallied Allottees. Provided that, in case any such Unallied Allottee is already in possession of the unit claimed by him/her, then in that case the Resolution Applicant/Corporate Debtor shall not take any coercive steps, unless ordered to do so by a court of competent

jurisdiction, pursuant to appropriate proceedings under Applicable Law.

3.8.8. The Resolution Applicant undertakes that the amounts paid by Allottees during CIRP (if any) towards their units shall be adjusted while making payments in accordance with the Allottee Repayment Schedule set out in Schedule 4 of this Plan (Allottee Repayment Schedule). A list of Allottees who have made payments for their units during the CIRP and the amount paid by them during CIRP to the Corporate Debtor for their units is set out in in Schedule 7 of this Plan (Payment for Unit during CIRP).

3.8.9. Further, the Resolution Applicant and/or the Corporate Debtor shall not be liable to pay any penalty towards the past defaults of the Corporate Debtor including payment of any delay penalty which may be stipulated in the existing agreements executed with its Allottees.

3.8.10. The Allottees in course of approving this Resolution Plan are specifically agreeing to the contents of this Resolution Plan and no individual Allottee of the Corporate Debtor shall have the right to raise any grievance in light of the Hon'ble Supreme Court's judgment in Pioneer Urban Land and Infrastructure & Anr versus Union of India & Ors (W'RIT PETITION (CIVIL) NO. 43 OF 2019).”

## VII. SOURCES OF FUNDS:

**30.** It is submitted that the Resolution Applicant shall infuse own funds, coupled with receivables due from the allottees. Further the Resolution Plan provides that the sourcing of funds and borrowing shall be in compliance with the provisions of the Companies Act, 2013, Real Estate Regulation and 2016 Development) Act, specifically Section 11 thereof and other

Applicable Laws and without compromising the security of the Secured Financial Creditor and rights of existing Allottees.

**31.** As per Clause 8 of Chapter 3 of the Resolution Plan, it has been envisaged that in terms of the Real Estate (Regulation and Development) Act. 2016 ("RERA"), seventy per cent. (70%) of the amounts realised for the real estate project from the Allottees, from time to time, shall be utilised to cover the cost of construction, land cost and such other purposes as permissible under Applicable Law including towards making payments as provided in this Plan.

**32.** Accordingly, the SRA undertakes and confirms that if the remaining amount i.e. thirty percent (30%) (30% Account) realised from the Allottees is less than the amount required to pay the Secured Financial Creditors as per the timeline provided in the Resolution Plan and Schedule 1 (Cash Contribution Payment Schedule), then the SRA will bring in such amount from its own sources and deposit in the 30% Account to meet the shortfall in the 30% Account

to ensure that the payment to the Secured Financial Creditors is made in accordance with the Plan. Further, the SRA undertakes to fully utilise the money in the 30% Account for payment of Secured Financial Creditor ("SFC"). The accounts in which the above referred 70% and 30% amounts realised for the real estate project from the Allottees is deposited is collectively referred to as the "RERA Account".

**33.** Funds for Construction: The Resolution Applicants shall bring in such amount as set out in the Projected Cash Flow Statement at Annexure I and, in such manner, which shall be over and above the amount payable to stakeholders in the Resolution Plan, as may be necessary to complete the construction and handover the possession.

**34.** Balance Fund Infusions: The Resolution Applicant shall, depending upon the requirement, infuse/arrange funds required for payment to Refund Seekers.

Copy of RFRP document/ eligibility criteria for the PRAs as issued by the resolution professional has been annexed as **ANNEXURE A-2** with the Affidavit. Copy of audited balance sheet of the holding company of the SRA as on 31.03.2024 has been annexed as **ANNEXURE A-3** with the Affidavit.
56. (c) Clarification on the source of funds for the resolution plan:

**57.** The details of source of funds for implementation of the resolution plan are duly provided in the plan itself. In this regard, reference is drawn to clause 8 of the resolution plan, which is reproduced hereinbelow for reference:

“...

*8. Fund infusion*

*8.2 Sourcing of funds and borrowing shall be in compliance with the provisions of the Companies Act, 2013, Real Estate (Regulation and Development) Act, 2016 specifically Section 11 thereof and other Applicable Laws and without compromising the security of the Secured Financial Creditor and rights of existing Allottees. Further any debt raised in the books of the Corporate Debtor/any loan availed by the Corporate Debtor shall be subordinated to the debt of the existing Secured Financial Creditor and can only be availed with the prior written permission of the Secured Financial Creditor.*

*8.3 The Secured Financial Creditors shall appoint a suitable agency as Project (including expenses and sales) and Escrow monitoring agent (Monitoring Consultant) to manage and operate the escrow account(s) created in terms of the Definitive Documents (including escrow agreement) and RERA Accounts and to verify the Project related expenses and sales. The scope of work of Monitoring Consultant shall be as stipulated by the Monitoring Committee and shall be detailed in the Definitive Documents. The Resolution Applicant/Corporate Debtor shall bear the expenses of the Monitoring Consultant. The Secured Financial Creditor sole discretion may replace the Monitoring Consultant.”*

**58.** As submitted by the SRA in Clarification Affidavit, the above clause sufficiently provides for the sources of funds for the resolution plan, wherein the SRA may go ahead to borrow funds from banks/lenders/third parties. In addition, it may be noted that the holding company has sufficient funds to meet the financial requirements of the resolution plan in hand. In this regard, it is relevant to mention that the holding company of the SRA holds FDRs of Rs.18,18,33,744/- as on 26.08.2025. Availability of such cash with the holding company itself establishes the capability of the SRA (SPV of the said holding company) to implement the resolution plan. Copy of statement of fixed deposits held by the holding company has been annexed as ANNEXURE A-5 with the Affidavit.

**59.** As regards the source of funds, the SRA has further clarified that the progress of construction is linked to receivables from the sold and unsold units of the Corporate Debtor and construction of sold units is the priority under the Resolution Plan which is approved by the CoC in its commercial wisdom after finding it to be

feasible and viable, which is comprising of 87.34% secured financial creditors and 12.66% allottees/unit buyers

(c) Clarification regarding source of payment to refund seekers in the event the proposed collection from new sale is not received

**60.** It is stated by the SRA that clause 3.3.4 of the Resolution Plan provides for making payment to the refund seeker allottees specifically providing that *“The refund amount shall be credited to the account of Refund Seeker within 1 month from the date of the resale of the concerned unit subject to the adherence to the Minimum Selling Price and verification of the documents submitted therein by the Corporate Debtor and/or the Resolution Applicant....”*.

**61.** In view of the above clause of the Resolution Plan, it is clarified that the payment to be made to the refund seeker allottees is subject to the sale of the respective unit and as such the said payment does not attract any contingency to the resolution plan. However, it is further stated referring to clause 8.9 of the Resolution Plan which states as under:

*"8.9 Balance Fund Infusion: The Resolution Applicant shall, depending upon the requirement, infuse/ arrange funds required for payment to Refund Seeker"*

**62.** By referring to both the above clauses i.e. clause 3.3.4. and clause 8.9, SRA submitted that these two clauses clearly provide for payment to refund seeker allottees, including necessary infusion by the Resolution Applicant, if need so arises for making payment of refunds.

(d) Undertaking for payments to be made from own funds:-

**63.** After referring to various clauses of the Resolution Plan and making submissions in the Clarification Affidavit as discussed above, the SRA undertook in the Clarification Affidavit that it shall infuse its own funds, if required.

**64.** The SRA in this Clarification Affidavit further submitted that the instant resolution plan is in conformity with the provisions of IBC and the rules & regulations framed thereunder, also the plan does not contravene any provisions of law for the time being in force. It is also stated that the resolution plan in hand is not conditional and the SRA undertakes to implement the resolution plan in letter and spirit.

65. After approval of the Resolution Plan of the SRA by the CoC, which is discussed so far in this order, the RP issued the Letter of Intent (LOI) to the SRA on 11.06.2025 requesting to submit Performance Security of Rs. 7,50,00,000/- as per the terms of the RFRP and the Resolution Plan submitted by the SRA, latest by 12.06.2025 wherein the amount of Rs. 2,50,00,000/- already deposited by the SRA as Earnest Money Deposit (EMD) to be adjusted and the remaining amount of Rs. 5 crore Performance Security was asked to be paid by the SRA.
