Dated: 07th May 2026

**Order under section 19 of the Right to Information Act, 2005 (RTI Act) in respect of RTI
Appeal Registration No. ISBBI/A/E/25/00057**

IN THE MATTER OF

Parlapalli Raghurami Reddy

... Appellant

Vs.

Central Public Information Officer

The Insolvency and Bankruptcy Board of India

7th Floor, Mayur Bhawan, Shankar Market,

Connaught Circus, New Delhi -110001

... Respondent

-
1. The Appellant has filed the instant Appeal dated 10th March 2026, as received on 18th March 2026 through offline mode under the Right to Information Act (RTI Act).
 2. The Appellant had sought records and documents pertaining to his complaint concerning alleged irregularities in the CIRP of XL Energy Ltd. Aggrieved with non-response by the CPIO, the Appellant has filed that instant Appeal stating that the CPIO has failed to provide any information concerning the impugned Application.
 3. I have carefully examined the applications, the responses of the Respondent and the Appeals and find that the matter can be decided based on the material available on record. In terms of section 2(f) of the RTI Act '*information*' means "*any material in any form, including records, documents, memos e-mails, opinions, advices, press releases, circulars, orders, logbooks, contracts, reports, papers, samples, models, data material held in any electronic form and information relating to any private body which can be accessed by a public authority under any other law for the time being in force.*" It is pertinent to mention here that the Appellant's "*right to information*' flows from section 3 of the RTI Act and the said right is subject to the provisions of the Act. Section 2(j) of the RTI Act defines the "*right to information*" in term of *information* accessible under the Act which is held by or is under the control of a public authority. Thus, if the public authority holds any information in the form of data, statistics, abstracts, etc. an applicant can have access to the same under the RTI Act subject to exemptions under section 8.
 4. In this regard, I note that the Appellant had filed the RTI application on 30th January 2026, which was disposed of by the Respondent CPIO on 01st April 2026. The deadline to dispose of the impugned RTI Application expired on 01st March 2026. Thus, the application has been disposed beyond thirty days of its receipt by the Respondent CPIO, which violates the timeline enshrined under Section 7 of the RTI Act. Being CPIO of Public Authority like IBBI, the Respondent should be sensitive to timelines and disposal of information request. I would, therefore, encourage and urge the Respondent to consider the requirements of law while dealing with information requests under the RTI Act and dispose of RTI applications within the prescribed time. Since the Application has been disposed of by the Respondent satisfactorily, it does not warrant any interference.

5. The Appeal is, accordingly, disposed of.
