## Plan for revival

- vii. The Resolution Applicant shall introduce the funds as committed in terms of this resolution plan for smooth functioning and operations of the Corporate Debtor. As the Corporate Debtor is undergoing the insolvency process, it must have lost its credibility in the market/industry. Resolution Applicant who has the credibility in the market shall facilitate the creditworthiness of the Corporate Debtor by taking the credit in market and by infusion of funds, if required, which shall help the Corporate Debtor in revival process. After introduction of the fresh fund for working capital by the Resolution Applicant, the Resolution Plan will become feasible and viable. The Resolution Plan has a unique likelihood of resolving insolvency and its sustainability.
- viii.With respect of compliance regarding Regulation 39(4) of the CIRP Regulations, the applicant has filed compliance certificate in Form-H certifying that the Resolution Plan submitted by the successful resolution applicant meets the requirements as laid down in various sections of the Code and the CIRP Regulations and there are sufficient provisions in the Plan for its effective implementation as required under the Code. Further, an affidavit has been obtained from the Successful Resolution Applicant stating that he is not ineligible under the provisions of Section 29A of the Code, 2016.
- ix. The applicant has prayed for number of waivers, reliefs and concessions in the Resolution Plan as mentioned in Clause 11, Page 65 of the Resolution Plan. As to the relief and concessions sought in the resolution plan, by taking into consideration the decision of the Hon'ble Supreme Court in the matter of **Embassy Property Development Private Limited v. State of Karnataka &** Ors. in Civil Appeal No. 9170 of 2019, we direct the Successful Resolution Applicant to file necessary application before the necessary forum/ authority in order to avail the necessary relief and concessions, in accordance with respective laws. The relevant part of the judgement is reproduced herein below:

39. Another important aspect is that under Section 25 (2) (b) of IBC, 2016, the resolution professional is obliged to represent and act on behalf of the corporate debtor with third parties and exercise rights

for the benefit of the corporate debtor in judicial, quasi-judicial and arbitration proceedings. Section 25(1) and 25(2)(b) reads as follows:

"25. Duties of resolution professional –

(1) It shall be the duty of the resolution professional to preserve and protect the assets of the corporate debtor, including the continued business operations of the corporate debtor.

(2) For the purposes of sub-section (1), the resolution professional shall undertake the following actions:

(a).....

(b) represent and act on behalf of the corporate debtor with third parties, exercise rights for the benefit of the corporate debtor in judicial, quasi-judicial and arbitration proceedings."

This shows that wherever the corporate debtor has to exercise rights in judicial, quasi-judicial proceedings, the resolution professional cannot short-circuit the same and bring a claim before NCLT taking advantage of Section 60(5).

40. Therefore in the light of the statutory scheme as culled out from various provisions of the IBC, 2016 it is clear that wherever the corporate debtor has to exercise a right that falls outside the purview of the IBC, 2016 especially in the realm of the public law, they cannot, through the resolution professional, take a bypass and go before NCLT for the enforcement of such a right."

5. In so far as the approval of the resolution plan is concerned, this Adjudicating Authority is duty bound to follow the judgement of the <u>Hon'ble Supreme Court in</u> <u>the matter of K. Sashidhar v. Indian Overseas Bank (2019) 12 CC 150,</u> wherein the scope and interference of the Adjudicating Authority in the process of the approval of the Resolution Plan is elaborated as follow: -

35. Whereas, the discretion of the adjudicating authority (NCLT) is circumscribed by Section 31 limited to scrutiny of the resolution plan "as approved" by the requisite percent of voting share of financial creditors. Even in that enquiry, the grounds on which the adjudicating authority can reject the resolution plan is in reference to matters specified in Section 30(2), when the resolution plan does not conform to the stated requirements. Reverting to

Section 30(2), the enquiry to be done is in respect of whether the resolution plan provides : (i) the payment of insolvency resolution process costs a specified manner in priority to the repayment of other debts of the in corporate debtor, (ii) the repayment of the debts of operational creditors in prescribed manner, (iii) the management of the affairs of the corporate debtor, (iv) the implementation and supervision of the resolution plan, (v) does not contravene any of the provisions of the law for the time being in force, (vi) conforms to such other requirements as may be specified by the Board. The Board referred to is established under Section 188 of the I&B Code. The powers and functions of the Board have been delineated in Section 196 of the I&B Code. None of the specified functions of the Board, directly or indirectly, pertain to regulating the manner in which the financial creditors ought to or ought not to exercise their commercial wisdom during the voting on the resolution plan under Section 30(4) of the I&B Code. The subjective satisfaction of the financial creditors at the time of voting is bound to be a mixed baggage of variety of factors. To wit, the feasibility and viability of the proposed resolution plan and including their perceptions about the general capability of the resolution applicant to translate the projected plan into a reality. The resolution applicant may have given projections backed by normative data but still in the opinion of the dissenting financial creditors, it would not be free from being speculative. These aspects are completely within the domain of the financial creditors who are called upon to vote on the resolution plan under Section 30(4) of the I&B Code.

 Also the Hon'ble Supreme Court of India in the matter of <u>Committee of Creditors</u> of Essar Steel India Limited vs. Satish Kumar Gupta & Ors., Civil Appeal No. 8766-67 of 2019, vid its judgement dated 15.11.2019 has observed as follows:

> "38. This Regulation fleshes out Section 30(4) of the Code, making it clear that ultimately it is the commercial wisdom of the Committee of Creditors which operates to approve what is deemed by a majority of such creditors to be the best resolution plan, which is finally accepted after negotiation of its terms by such Committee with prospective resolution applicants."

- 7. Thus, from the judgements cited supra, it is amply clear that only limited judicial review is available to the Adjudicating Authority under Section 30(2) read with Section 31 of the Code, 2016 and this Adjudicating Authority cannot venture into the commercial aspects of the decisions taken by the committee of the creditors.
- 8. Therefore, in our considered view, there is no impediment in giving approval to the Resolution Plan. Accordingly, we hereby **approve the Resolution Plan**, which shall be binding on the corporate debtor and its employees, shareholders of corporate debtor, creditors including the Central Government, any State Government or any local authority to whom statutory dues are owed, guarantors, successful resolution applicant and other stakeholders involved. In view of the above, *I.A.* 6322/ND/2023 stands allowed.
- 9. It is declared that the moratorium order passed by this Adjudicating Authority under Section 14 of the Code shall cease to have effect from the date of pronouncement of this order.
- 10. However, the resolution plan shall not construe any waiver to any statutory obligations/liabilities arising out of the approved resolution plan and the same shall be dealt in accordance with the appropriate authorities concerned as per relevant laws. We are of the considered view that if any waiver is sought in the resolution plan, the same shall be subject to approval by the concerned authorities. The same view has been held by the Hon'ble Supreme Court in **Ghanshyam Mishra and Sons Private Limited vs. Edelweiss Asset Reconstruction Company Limited and Embassy Property Development case** (supra).
- 11. Accordingly, MoA and AoA of the corporate debtor shall be amended and filed with the RoC for information and record as prescribed. While approving the 'resolution plan' as mentioned above, it is clarified that the resolution applicant shall pursuant to the resolution plan approved under section 31(1) of the Code,

2016, obtain all the necessary approvals as may be required under any law for the time being in force within the period as provided for such in law.

- 12. The Resolution Professional shall forward all records relating to the Corporate Insolvency Resolution Process of the corporate debtor and the Resolution Plan to IBBI to be recorded at its database in terms of Section 31(3)(b) of the Code. The Resolution Professional is further directed to handover all the records, premises, properties of the corporate debtor to the Successful Resolution Applicant to ensure a smooth implementation of the resolution plan.
  - 13. The approved 'Resolution Plan' shall become effective from the date of passing of this order. The Approved Resolution Plan shall be part of this order.
  - 14. Let the copy of the order be served to the parties
