National Colloquium on

"Corporate Insolvency Resolution Process:
Understanding Emerging Issues and Challenges"

On Saturday, 19th September, 2020 from 11.30 AM to 03.45 PM

About the Colloquium

With the enactment of the Insolvency and Bankruptcy Code, 2016 (IBC), a new era of insolvency resolution has been initiated which witnessed numerous legal and challenges. Challenge to the constitutional validity of the IBC, disputes pertaining to home buyers as financial creditors, disqualification of certain promoters in as resolution applicants, are a few to mention. The jurisprudence has been evolved through the intervention of the Supreme Court, High Courts, NCLAT and NCLT. The aim of the colloquium is to explore the possible areas of research pertaining to legal issues and challenges raised from time to time during the processes under the IBC and, to deliberate on legal solutions. The colloquium is rescheduled on 19th September, 2020 via online mode through Cisco WebEx Platform.
